

**Postsecondary Technical Education Authority**

**AGENDA**

Kansas Board of Regents

1000 SW Jackson, Suite 520, Topeka, KS

**10:00 AM – August 26, 2021**

**Conference Call Meeting**

**I. CALL TO ORDER**

- A. Approve Previous Minutes (May 27, 2021) Vice Chair Hess

**II. REPORTS**

- A. Introductions Vice Chair Hess  
B. Chair's Report Vice Chair Hess  
C. Member Liaison Reports TEA Members  
D. Vice President for Workforce Development Report Vice President Smathers  
E. Report from the Community Colleges President Johnston  
F. Report from the Technical Colleges President Nichols

**III. CONSENT AGENDA**

- A. Budget and Finance Committee Committee Chair M. Johnson  
1) Extraordinary Costs Review: Round 2 Associate Director Chambers  
B. Advocacy and Marketing Committee Committee Chair Estes  
1) TEA member institution visit assignments Vice President Smathers  
C. Program and Curriculum Committee Committee Chair R. Johnson  
1) Program Alignment: Computer Support Specialist (11.1006) Associate Director Beck  
2) New Program Proposal Director Henry  
    o Salina Area Technical College: Early Childhood Education  
3) Excel in CTE Fees Director Henry  
    o Salina Area Technical College: Early Childhood Education  
4) Promise Act Director Henry  
    o Salina Area Technical College: Early Childhood Education

**IV. OTHER MATTERS**

- A. Excel in CTE Distribution Proviso Discussion Vice President Frisbie  
B. TEA Committees 2021 - 2022 Vice Chair Hess  
C. Legislative Update Director Casey  
D. KSDE K-12 Update KSDE Director Smith  
E. KBOR Retreat Summary Vice President Smathers  
F. Promise Act Update Vice President Smathers  
G. TEA Goals for AY 2022 Vice President Smathers

- V. NEXT MEETING REMINDER** (Thursday, September 30, 2021) Vice Chair Hess

**VI. ADJOURNMENT**

**PRELIMINARY MINUTES  
KANSAS POSTSECONDARY  
TECHNICAL EDUCATION AUTHORITY  
MEETING**

The May 27, 2021 meeting of the Kansas Postsecondary Technical Education Authority (TEA) was held at the Kansas Board of Regents office, 1000 SW Jackson Street, Suite 520, Topeka, Kansas and virtually via ZOOM.

**Members Present**

Ray Frederick Jr., Chair

Rita Johnson

Mike Johnson

Debra Mikulka

Mike Beene

Stacy Smith

Mark Hess, via ZOOM

Eddie Estes, via ZOOM

Jason Cox

Tiffany Anderson

**Others Present**

Jim Genandt, Manhattan Area Technical College, via ZOOM

Dennis Rittle, Cowley County Community College

Heather Morgan, KACCT

**Kansas Board of Regents Staff Present**

Sue Grosdidier

Vera Brown

Elaine Frisbie

Kelly Oliver, Via ZOOM

**CALL TO ORDER**

The meeting was called to order by Chair Frederick at 10:00 AM.

Approval of Previous Minutes

**Motion:** Member Estes moved to approve the minutes of April 29, 2021. Following a second by Member R. Johnson, the motion carried.

**REPORTS**

Introductions

None.

Chair's Report

Chair Frederick commented that it is good to meet in person and thanked the community colleges and technical colleges, Board staff, and the TEA members for their efforts to overcome the obstacles of the pandemic.

Member Liaison Reports

Chair Frederick invited TEA member activity reports.

Member M. Johnson shared information from Salina Technical College regarding their 3-day counselor camp in June allowing students to participate in activities from their heavy duty diesel, manufacturing and

machining principles programs, North Central Technical College regarding their IT group camp to experience various IT jobs, Manhattan Area Technical College regarding their partnership with Caterpillar for a welding program at their Wamego center, and Barton County Community College regarding an article spotlighting a recent graduate of the Welding program from Ellsworth Correctional Facility.

Member Estes reported he had the opportunity to visit Northwest Kansas Technical College and review their Engineering program, and that the Hilmar Cheese Company is coming to Dodge City, creating hundreds of job opportunities in the region.

Member Mikulka spoke with Presidents at Labette Community College and Neosho County Community College and commended them on their services to students.

Member Anderson expressed appreciation to Stormont Vail for their nursing paid internship program and informed members that they will also be offering paid internships for marketing for high school students. She informed members that Hill's Pet Nutrition will be interviewing students for their first paid internships this summer, and she thanked WSU Tech for the exceptional graduation ceremony at which she was a guest speaker.

Member Beene reported that the Workforce Innovation Conference will be held in Wichita on October 4<sup>th</sup> and 5<sup>th</sup> and two keynote speakers have been confirmed. He informed members that Lt. Governor Toland sent out invitations to form an apprenticeship workgroup for recommendations to the Governor on the scope of apprenticeships and work-based learning internships.

Member Smith reported that he attended the senior graduation signing day at Frontenac High School where seniors signed letters of intent for next year, and the community and technical colleges were well represented with tables set up to provide information to students.

#### Vice President for Workforce Development Report

Chair Frederick called on Vice President Smathers to provide Members with a Workforce Development report. Vice President Smathers informed members that if they wish to attend the Workforce Innovation Conference in Wichita on October 4<sup>th</sup> and 5<sup>th</sup>, their registration and expenses will be covered by TEA funding. He announced that Hector Martinez was hired as the new Senior Associate Director of Adult Education replacing Chris Lemon. He announced that Brad Bennett resigned from Seward County Community College and that Dennis Sander, a vice president in their business office, will be the interim president. He reminded members that year-end expenses must be turned into Board staff immediately. He informed members that Senior Director Beene and her team have adjusted the Perkins State Plan goals, and they have been submitted for federal approval. He reported that he traveled to meet presidents at Salina Technical College and Northwest Kansas Technical College, and he was a guest speaker at the Colby Community College graduation.

#### Report from the Community Colleges

Chair Frederick called upon Cowley County Community College President Dennis Rittle to provide members with a report from the community colleges. President Rittle thanked the TEA for allowing him to serve, and he informed members that Ft. Scott Community College President Johnston will assume his role of reporting to the TEA in August.

#### Report from the Technical Colleges

Chair Frederick called upon Manhattan Area Technical College President Jim Genandt to provide members with a report from the technical colleges.

**CONSENT AGENDA**

Budget and Finance Committee

Excel in CTE/AO-K Proviso Distributions  
FY21 Kansas Innovative Technology Internship Grants  
FY22 Adult Education Provider Awards

Program and Curriculum Committee

New Program Proposals  
Butler Community College: Diesel Technology (47.0613)  
Cloud County Community College: Pharmacy Technician (51.0805)  
Highland Community College: Electrical Technology (46.0302)  
Neosho County Community College: Paralegal (22.0302)  
WSU Campus of Applied Sciences and Technology: Professional Pilot (49.0102)

Excel in CTE Fees

Butler Community College: Diesel Technology (47.0613)  
Cloud County Community College: Pharmacy Technician (51.0805)  
Highland Community College: Electrical Technology (46.0302)  
Neosho County Community College: Paralegal (22.0302)  
Updated AY22 Dodge City CC Excel in CTE Fees: Cosmetology (12.0401)

Changes to AAS in Technical Studies

Chair Frederick called for a motion to approve the Consent Agenda items from the Budget and Finance Committee and the Technical Program and Curriculum Committee.

**Motion:** Member Beene moved to approve the Consent Agenda items. Following a second by Member Mikulka, the motion carried by roll call vote.

**CONSIDERATION OF DISCUSSION AGENDA**

Advocacy and Marketing Committee

Job Description Videos  
Micro-Internship Marketing Efforts

Chair Frederick requested an update on activities from Advocacy and Marketing Committee Chair Estes. Committee Chair Estes called on Senior Project Director Peterson to provide members with a Job Description/Technical Career Videos project update.

Senior Project Director Peterson informed members that a \$10,000 grant was received from ITC Holdings to produce three brief videos to help Kansas students and residents better understand the nature of high demand, high wage technical career opportunities in the state and increase awareness of energy related technical careers. He explained that the videos will feature a specific energy related technical career and will be similar to last year's Build Something Now awareness campaign through Cox Media, featuring 30, 15, and 10 second videos for distribution via different media channels in both English and Spanish. Representatives from the KBOR Workforce Development Unit, ITC Holdings, Sunflower Electric Power, and Cox Media will finalize the specific careers to be featured in the videos. Each video will include a few remarks by a current technician at their respective worksite. Senior Project Director Peterson provided members with examples of energy related technical careers available in the state and the programs that help prepare students for them.

### Micro-Internship Marketing Efforts

Chair Estes called on Senior Project Director Peterson to provide members with an update on the Kansas Micro-Internship (KMI) marketing efforts. Senior Project Director Peterson reminded members that the KMI program was launched in February 2021 and is available to any student enrolled in a Kansas public college or university. The micro-internships are short-term, paid, professional projects in many career fields that can be completed remotely year-round. He informed members that the program is funded by grants from the DeBruce Foundation and the Kansas Department of Commerce. The program is facilitated via the Parker Dewey online platform making it easy for employers, postsecondary institutions, and college students to participate. A total of \$35,000 in funding for the pilot program was provided by the DeBruce Foundation and the Kansas Department of Commerce. Parker Dewey collects and distributes the project fees and payments, and provides reports that list the registered students, the number of project applications submitted, and the number of paid projects. Board staff and Parker Dewey will promote the program to the institutions, students, and employers to increase their participation in the program. They will also begin running ads via LinkedIn and Google Search that feature infographics created by a micro-intern hired through the new KMI program. Senior Project Director Peterson informed members that he will be participating in presentations and panel discussions and the Kansas Department of Commerce will promote the program to employers via its social media accounts, newsletters, and website. The goal of the Kansas Micro-Internships Program is to support the Kansas Board of Regents' Building a Future strategic plan and the Kansas Department of Commerce's aim to "connect businesses, job seekers, educational institutions and training providers to ensure the state's workforce is equipped to meet industry needs and to help create economic success for Kansas residents and businesses." A total of 565 students and 20 organizations registered for the program as of April 30, 2021.

### **OTHER MATTERS**

#### 2021-2022 Excel in CTE Qualifying Credential Incentive List

Chair Frederick called on Associate Director Chambers to present the 2021-2022 Excel in CTE Qualifying Credential Incentive list. Associate Director Chambers explained that the program provides incentive awards to school districts as funds are appropriated, for high school graduates who have obtained qualifying industry-recognized credentials in high-demand occupations either prior to graduation or by December immediately following graduation. The proposed list of qualifying credentials for 2021-2022 was developed based on the following criteria:

- Occupations must appear on the high demand/high wage occupations list and have an overall demand score between 10 and 30 using the metric developed by KDOL based on job vacancy, short-term job projections, long-term job projections, and wage data.
- Wages for the occupation must be at least 70 percent (\$32,564) of the average annual wage in Kansas (\$46,520 – 2020 Wage Survey) or, if the occupation does not meet the wage criteria, the credential for the occupation must be a stackable credential and required for the next occupation level.
- The education level for the occupation requires at least a high school diploma as designated by KDOL.
- Occupations must have an associated, occupationally specific industry-recognized credential (certification or license).
- Courses leading to that certification/license are available to high school students.
- The certification/licensure is attainable by a high school student within six months of high school graduation or before.

Associate Director Chambers provided a list of the credentials/certifications qualifying for incentive payment to members and explained that the list will be submitted to the Board with recommendation for approval.

## FY2022 State Appropriations to Community Colleges and Technical Colleges

Chair Frederick called on Vice President Frisbie to present the FY 2022 State appropriations to community colleges and technical colleges. Vice President Frisbie informed members that for FY 2022, every two-year college will receive more from the State General Fund next year than they received the current year. There are five state appropriations that require the Kansas Board of Regents (KBOR) and Postsecondary Technical Education Authority to approve the distribution of funds among eligible institutions, including the community college maintenance of effort funding distribution.

## Tiered Technical Education State Aid Distribution

For FY 2022, the Legislature has appropriated a total of \$60,967,448 the same amount as in FY 2021. In accordance with the appropriation proviso below, \$2,667,448 is to be treated as new funding in FY 2022:

Institution	FY 2021 Funding	FY 2022 Funding	Increase/ (Decrease)
Allen County Community College	\$1,327,658	\$1,327,658	\$0
Barton County Community College	3,519,749	3,519,749	0
Butler County Community College	4,378,298	4,210,634	(167,664)
Cloud County Community College	1,364,522	1,364,522	0
Coffeyville County Community College	1,221,598	1,221,598	0
Colby County Community College	847,221	877,805	30,584
Cowley County Community College	2,522,575	2,522,575	0
Dodge City Community College	1,175,503	1,175,503	0
Flint Hills Technical College	1,791,222	1,837,319	46,097
Fort Scott Community College	1,508,066	1,508,066	0
Garden City Community College	1,025,433	1,058,862	33,429
Highland County Community College	1,833,613	1,833,613	0
Hutchinson County Community College	4,284,098	4,341,047	56,949
Independence County Community College	558,687	558,687	0
Johnson County Community College	6,536,167	6,750,474	214,307
Kansas City Kansas Community College	4,388,879	4,371,269	(17,610)
Labette County Community College	1,153,072	1,129,158	(23,914)
Manhattan Area Technical College	1,909,844	1,942,694	32,850
Neosho County Community College	1,488,937	1,387,305	(101,632)
North Central Kansas Technical College	2,780,372	2,824,381	44,009
Northwest Kansas Technical College	2,167,114	2,167,114	0
Pratt County Community College	1,189,790	1,189,790	0
Salina Area Technical College	1,902,328	1,902,328	0
Seward County Community College	1,184,750	1,186,472	1,722
Washburn Institute of Technology	3,039,393	3,077,922	38,529
WSU Campus of Applied Science and Technology	5,868,559	5,680,903	(187,656)
Total	\$60,967,448	\$ 60,967,448	\$ --

## Non-Tiered Credit Hour Grant Distribution

The Legislature also held the non-tiered credit hour grant in FY 2022 at the same level as FY 2021, \$79,995,039. In accordance with the appropriation proviso below, \$3,498,710 is to be treated as new funding in FY 2022:

Institution	FY 2021 Funding	FY 2022 Funding	Increase/ (Decrease)
Allen County Community College	\$3,591,858	\$3,557,200	(\$34,658)
Barton County Community College	4,986,441	5,086,886	100,445
Butler County Community College	11,284,336	11,246,168	(38,168)
Cloud County Community College	3,065,428	3,063,686	(1,742)
Coffeyville County Community College	1,798,887	1,798,887	0
Colby County Community College	1,415,975	1,379,179	(36,796)
Cowley County Community College	4,410,683	4,410,683	0
Dodge City Community College	1,535,283	1,512,063	(23,220)
Flint Hills Technical College	541,758	532,205	(9,553)
Fort Scott Community College	1,960,649	1,935,369	(25,280)
Garden City Community College	1,790,242	1,731,655	(58,587)
Highland County Community College	4,008,803	3,984,114	(24,689)
Hutchinson County Community College	5,333,431	5,304,419	(29,012)

WSU Campus of Applied Science and Technology	2,410,515	2,533,192	122,677
Total	\$79,995,039	\$79,995,039	\$ --

Career Technical Education Capital Outlay Aid Distribution

2011 SB 143 directs that capital outlay aid be distributed to the six technical colleges, nine of the community colleges with merged technical schools, and Washburn Institute of Technology. The total funding for capital outlay aid for FY 2022 is \$2,619,311 (which includes \$71,585 from the State General Fund and \$2,547,726 from the Economic Development Initiatives Fund). This is equal to the appropriations in FY 2021.

Table 3			
Career Technical Education Capital Outlay Aid Distribution			
Institution	FY 2021 Funding	FY 2022 Funding	Increase/ (Decrease)
Coffeyville County Community College	\$120,641	119,497	(1,144)

Community College Maintenance of Effort Distribution

2021 SB 159 appropriates \$5,000,000 to the Board of Regents for community colleges, to be used for non-recurring commitments. It is recommended that \$4.0 million be allocated according to resident student enrollments, excluding students in Excel for CTE, for which the colleges receive full funding from another appropriation. It is also recommended that the balance of the appropriation, \$1.0 million, be used for those colleges with a gap in state aid for both tiered and non-tiered course credit hour aid. Eight colleges would divide the \$1.0 million, as follows:

Barton County Community College	21.64%
Butler County Community College	19.51%
Colby County Community College	5.73%
Garden City Community College	2.68%
Hutchinson County Community College	15.67%
Johnson County Community College	26.22%
Labette County Community College	2.98%
Neosho County Community College	5.57%

Institution	FY 2021 Funding	FY 2022 Funding	Increase/ (Decrease)
Allen County Community College	\$ --	\$ 137,494	\$ 137,494
Barton County Community College	--	518,367	518,367

#### Technical Colleges Equipment Fund Distribution

2021 SB 159 appropriated \$4,335,000 to the Board of Regents for equipment purchases at technical colleges. Further, the Board was directed to divide the money equally among the seven technical colleges at \$619,285 each. Because of the way the appropriation was structured, the Board has no discretion in how to structure the distribution. This table is provided for information only.

Table 6			
Technical Colleges Equipment Fund Distribution			
Institution	FY 2021 Funding	FY 2022 Funding	Increase/ (Decrease)
Flint Hills Technical College	\$ --	\$619,285.71	\$619,285.71
Manhattan Area Technical College	--	619,285.71	619,285.71

Washburn Institute of Technology	--	619,285.71	619,285.71
WSU Campus of Applied Science and Technology		619,285.71	619,285.71
Total	\$ --	\$4,334,999.97	\$4,334,999.97

**Motion:** Following discussion, Member Anderson moved to approve the FY2022 State Appropriations to Community Colleges and Technical Colleges as presented, for submission to the Board. Following a second by Member Cox, the motion carried by roll call vote.

#### Promise Act

Chair Frederick called on Vice President Smathers to provide members with information regarding the Kansas Promise Scholarship Act. Vice President Smathers presented a PowerPoint presentation highlighting details of the Act. He explained that in April, Governor Kelly signed the Kansas Promise Scholarship Act (House Bill 2064). The Act provides \$10 million in scholarships for students to enroll in eligible programs at eligible institutions beginning academic year 2022, or July 1, 2021. He explained that the Act states that the Board of Regents will administer the program, and the administration of the plan is broken into three categories: Rules and Regulations, Eligible Programs, and Other Responsibilities. The Kansas Postsecondary Technical Education Authority is delegated the approval of eligible programs. The Act identifies eligible programs as any of the following fields of study:

- Advanced Manufacturing and Building Trades
- Early Childhood Education and Development
- Mental and Physical Healthcare
- Information Technology and Security

The Act also states that “an eligible postsecondary institution may designate one additional promise eligible program if the additional program is a two-year associate degree program or a career and technical education certificate or stand-alone program that corresponds to a high wage, high demand, or critical need occupation.” He explained that it is a “last dollar” scholarship covering fees, books, and materials after other scholarships are applied. He also explained details of student eligibility and additional rules as they apply to the students who receive funds from the Act. Members discussed their understanding of the Act and expressed their concerns over some of the logistics.

Vice President Smathers called on Director Henry to present the Kansas community colleges, technical colleges, and not-for-profit institutions’ requests for approval of Promise Scholarship eligible programs. Member Beene suggested that the TEA focus discussions on the two college designated programs indicative of high wage, high demand, or critical need occupations that are highlighted on the requests by Independence Community College (51.0808 Veterinary Nursing) and Labette Community College (10.0303 Graphic Design). The remainder of requests by the institutions meet the four fields of study as defined in the Act and the college designated programs lead to a high wage, high demand occupation. Director Henry led discussions regarding the Independence Community College Veterinary Nursing program and Labette Community College Graphic Design requests, providing the documentation provided in support of the program by the institution as well as inviting representatives from those institutions to speak. Members agreed to then vote on all of the program requests from all of the institutions in one motion.

Kansas Community Colleges and Technical Colleges

**Allen Community College** requests approval of the following Promise Scholarship eligible programs:

Allen Community College

Advanced Manufacturing and Building Trades

College designated program Supportive high wage, high demand, or critical need occupation data may be required	
	<i>None</i>

**Recommendation**

The Promise Eligible programs presented by North Central Kansas Technical College meet the four fields of study defined in the Act. The college did not designate an additional program. Board staff recommends approval.

**Northwest Kansas Technical College** requests approval of the following Promise Scholarship eligible programs:

Northwest Kansas Technical College	
Advanced Manufacturing and Building Trades	
Career Technical Education Programs	
15.0201	<i>Engineering Technology</i>
46.0201	<i>Carpentry</i>
46.0302	<i>Electrical Technology</i>
48.0508	<i>Welding</i>

Early Childhood Education and Development	
Career Technical Education Programs	
	<i>None</i>

Healthcare (physical and mental)	
Career Technical Education Programs	
51.0801	<i>Medical Assistant</i>
51.0904	<i>Emergency Medical Technician</i>
51.0908	<i>Respiratory Therapy</i>
51.2603	<i>Certified Medication Aide</i>
51.3902	<i>Certified Nurses Aide</i>

Information Technology and Security	
Career Technical Education Programs	
10.0303	<i>Computer Graphics Technology</i>
11.0902	<i>Cloud Computing &amp; Appl Development</i>

College designated program Supportive high wage, high demand, or critical need occupation data may be required	
47.0613	<i>Diesel Technology</i>

**Pratt Community College** requests approval of the following Promise Scholarship eligible programs:

Pratt Community College

Advanced Manufacturing and Building Trades	
Career Technical Education Programs	
46.0301	<i>Electrical &amp; Power Transmission</i>
48.0508	<i>Welding Technology</i>
Advanced Manufacturing and/or Building Trades Transfer Program(s)	
	<i>None</i>

Early Childhood Education and Development	
Career Technical Education Programs	
	<i>None</i>
Early Childhood Education and Development Transfer Program(s)	
	<i>AA in Elementary Education</i>
	<i>AS in Elementary Education</i>

Healthcare (physical and mental)	
Career Technical Education Programs	
51.2602	<i>Home Health Aide</i>
51.2603	<i>Medication Aide</i>
51.3801	<i>Nursing (ADN)</i>
51.3901	<i>Practical Nursing</i>
51.3902	<i>Nursing Aide</i>
Healthcare (physical and/or mental) Transfer Program(s)	
	<i>None</i>

Information Technology and Security	
Career Technical Education Programs	
11.0901	<i>Information Network Technology</i>
Information Technology and/or Security Transfer Program(s) - add lines as needed	
	<i>None</i>

College designated program Supportive high wage, high demand, or critical need occupation data may be required	
47.0604	<i>Automotive Technology</i>

**Salina Area Technical College** requests approval of the following Promise Scholarship eligible programs:

Salina Area Technical College

Advanced Manufacturing and Building Trades	
--	--

Career Technical Education Programs	
15.1302	<i>Computer Aided Drafting</i>

**Motion:** Following discussion, Member Beene moved to approve all of the community college, technical college, and not-for-profit institution Promise Act eligible programs as presented and to forward the programs to the Board with the TEA recommendation for approval. Following a second by Member Mikulka, the motion carried by roll call vote.

TEA Appropriations Request for FY 2023

Chair Frederick called on Vice President Smathers to lead discussions regarding the TEA Appropriations Request for FY 2023. Vice President Smathers reminded members that every year the TEA is asked to submit their recommended funding requests to the Board for their upcoming year’s budget request from the Legislature. Vice President Smathers prepared a summary of the input from members for the TEA final recommendation to the Board of Regents. The Board will review budget requests during their retreat in July 2021. Board Staff has created the following proposed TEA appropriations request for FY 2023 in order of priority:

1. Excel in CTE: \$2.5 million more beyond the allocation for FY 2022 for a total of \$39,320,000 (6.79% increase over FY 2022)

*It is understood that a GBA will be requested if additional funds are needed.*

2. Tiered Funding: \$2 million extra leaving a GAP of approximately \$1 million
3. Non-Tiered Funding: \$4 million extra leaving a GAP of approximately \$8.3 million
4. Capital Outlay Fund: \$4 million extra for a total of \$6,619,311

Total Request of \$12.5 million more than FY 2022

**Motion:** Member Mikulka moved to approve the TEA Appropriations Request for FY 2023 for submission to the Board. Following a second by Member Hess, the motion carried by roll call vote.

#### Legislative Update

Chair Frederick called on Director Casey to provide members with a legislative update. Director Casey gave a brief report to members on the recent and upcoming activities of the Legislature. He reported that the legislature returned for their Veto session on May 3<sup>rd</sup>, and the session was completed May 8<sup>th</sup>. The Veto session addressed the maintenance of effort requirements keeping federal stimulus dollars for K-12 and higher-ed proportionate to the overall State budget over the past three years, with a \$106 million gap for higher-ed. Director Casey explained that the Governor requested a waiver of half of the calculated \$106 million gap until next fiscal year and provided information on how the \$53 million would be divided for institutions. He explained that HB2101, the University of Engineering Act, was extended 10 years, and SB-32 passed to allow school districts to pay for tuition of students that are dual or concurrently enrolled.

#### Election of TEA Chair and Vice Chair

Chair Frederick called on Vice President Smathers to present the nominees for the TEA officer elections. Vice President Smathers informed members that Chair Frederick was nominated to continue as Chair for 2021-2022, and Member Hess was nominated to serve as Vice Chair for 2021-2022.

**Motion:** Member Beene moved to elect Member Frederick to serve as Chair of the TEA for 2021-2022, and to elect Member Hess as the Vice Chair of the TEA for 2021-2022. Following a second by Member R. Johnson, the motion carried by roll call vote.

#### **NEXT MEETING REMINDER**

Chair Frederick reminded members that the next TEA meeting will be held virtually on August 26, 2021 at 10:00 AM.

#### **ADJOURNMENT**

With no further business, Chair Frederick adjourned the meeting at 12:38 P.M.

Respectfully submitted by:  
Susan Henry, Executive Assistant

**Summary**

*The KBOR Cost Model uses four main cost components—Instructor + Instructional Support + Institutional Support + Extraordinary Costs to calculate a total per credit hour composite rate for each course.*

*Instructor costs are currently updated annually utilizing the Cost and Productivity Study (previously known as the Kansas Study), a national instructor cost study conducted annually by the National Higher Education Benchmarking Institute at Johnson County Community College. The Instructional and Institutional support costs are updated utilizing data submitted annually by institutions for the Data Books.*

*Extraordinary costs are defined as “required, program-specific equipment and consumable materials” for technical program courses that are not accounted for in Instructor, Instructional, or Institutional costs within the KBOR Cost Model. Since a national data source does not exist for Extraordinary Costs calculation, the Higher Education Price Index (HEPI) is applied to adjust the Extraordinary Costs component annually. The project plan was approved, the results for the second round of reviews is presented for approval. 8/26/2021*

**Background**

The KBOR Cost Model was developed in response to the 2007 legislative proviso to “develop and recommend to the Board of Regents a credit hour funding distribution formula for postsecondary technical education training programs that: 1) is tiered to recognize and support cost differentials in providing high-demand, high-tech training; 2) takes into consideration target industries critical to the Kansas economy; 3) is responsive to program growth; and 4) includes other factors and considerations as deemed necessary or advisable.”[KSA Supp. 72-4482, 2008].

A total calculated course rate is established for every program, and therefore every course in the system. The methodology approved by the Technical Education Authority (TEA) for the continued update of the Extraordinary Cost Rates based on the most recent, five-year, actual system wide expenditures is:

$$\text{Extraordinary Costs} = \frac{\text{Total 5 year reported expenditures}}{\text{Total 5 year reported tiered credit hours delivered}}$$

**Annual Timeline (Ongoing)**

September	Programs for current cycle of Extraordinary Costs update identified
October - January	Institutions submit expenditure data
February - April	Data for all programs compiled and aggregated by KBOR Staff
May	Review by Budget & Finance, and TEA

**Recommendation**

Based on the data supplied by institutions via the KHEDS data system, and directly for Extraordinary Costs between 2015-2019 for the 59 programs reviewed, the following recommendations were approved by the TEA’s Budget and Finance Committee:

-  26 programs maintain the current Extraordinary Cost
-  19 programs increase the Extraordinary Cost
-  14 programs decrease the Extraordinary Cost.

## TEA Member College Assignments

### Summary

*Starting in the 2017-2018 academic year, TEA members (excluding ex-officio members) have been assigned to institutions in hope of improving communication and institutional awareness.* 8/26/2021

### Intent

For the last three years, the 26 two-year institutions have been divided up among the appointed TEA members with the hope of increasing communications and building better working relationships. While a great deal of information is shared at the TEA meetings, often these meetings are not conducive for TEA members to really learn in-depth about issues, concerns, or perceptions that may exist at the institutions.

### Expectations

1. TEA members should visit their assigned institutions at least one time during the AY calendar year to familiarize themselves with the programs that are offered and learn about the challenges the institutions are facing.
2. Verbal and/or written reports should be given at TEA meetings summarizing their visit.
3. At least every six (6) months the TEA member should meet with or speak with the assigned institution president to stay current on specific issues relating to the college.

### Proposed AY 2021-2022 Assignments

#### Tiffany Anderson: Topeka/KC

Washburn Institute of Technology  
Allen Community College  
Manhattan Area Technical College

#### Deb Mikulka: Chanute

Neosho Community College  
Fort Scott Community College  
Labette Community College

#### Eddie Estes: Dodge City

Seward County Community College  
Garden City Community College  
Dodge City Community College

#### Keith Humphrey: Arkansas City

Coffeyville Community College  
Independence Community College

#### Mark Hess: Hays

Northwest Kansas Technical College  
Colby Community College  
Cloud County Community College

#### Jason Cox: Wichita

Butler County Community College  
Wichita State University Campus of Applied Sciences and Technology  
Cowley Community College

#### Mike Johnson: Great Bend

Barton Community College  
North Central Kansas Technical College  
Salina Area Technical College

#### Rita Johnson: Wichita

Pratt Community College  
Hutchinson Community College  
Flint Hills Technical College

#### Ray Frederick

Highland Community College  
Johnson County Community College  
Kansas City Kansas Community College

## Program Realignment – Computer Support Specialist

### Summary

*One of the initiatives underway by the Post-Secondary Technical Education Authority to enhance technical education in the state is the alignment of specific technical programs. Program Alignment has four primary objectives: allow business and industry to identify exit points within the program; identify nationally recognized third-party credentials; identify common courses; and decrease the variability in program length. 8/26/2021*

### Background

One of the strategic priorities of the Postsecondary Technical Education Authority (TEA) is to enhance technical education in our state by the alignment of specific technical programs. This project is driven by the needs of business and industry in the state. Program Alignment consists of five phases:

- Phase I: Research and industry engagement
- Phase II: Faculty engagement and aligning curriculum with certifications
- Phase III: Approval of program structure and curriculum
- Phase IV: Implementation
- Phase V: Standards revision

### Phase V: Standards Revision: Computer Support Specialist (11.1006)

The Computer Support Specialist program was last realigned in 2014. The alignment consisted of three exit points (Certificate A, B, and an AAS), two common courses, three agreed upon courses, and one support course.

Review of the alignment began in response to faculty contacting KBOR informing us of the changes to the CompTIA curriculum and tests. A survey was sent to the relevant business and industry community to gather their needs for program realignment. The survey also requested interest in serving on the business and industry committee. Eight members of that committee met on March 26, 2021 and agreed on several recommendations to bring to the faculty committee.

Computer Support Specialist program administrators and faculty from six institutions, one business representative, KSDE staff, and KBOR staff met virtually on April 22, 2021 to begin the realignment process.

The committee agreed that the current name of the program is appropriate. Changes to the names of the common courses were made to align with the changes of the CompTIA courses:

- CompTIA A+ Essentials changed to CompTIA A+ Core 1
- CompTIA A+ Practical Applications changed to CompTIA A+ Core 2

One additional agreed upon course of CompTIA Cloud+ was added. Technical Certificate C has been added to the alignment map to provide an additional exit point for students and to give the institutions more time at each level to cover the subject areas more thoroughly. CompTIA reviews their competencies for the CompTIA A+ Core 1 and 2 exams every two years which make it difficult to keep the alignment map current. The committee agreed to use the most current competencies of the CompTIA A+ Core 1 and Core 2 exams for the alignment map.

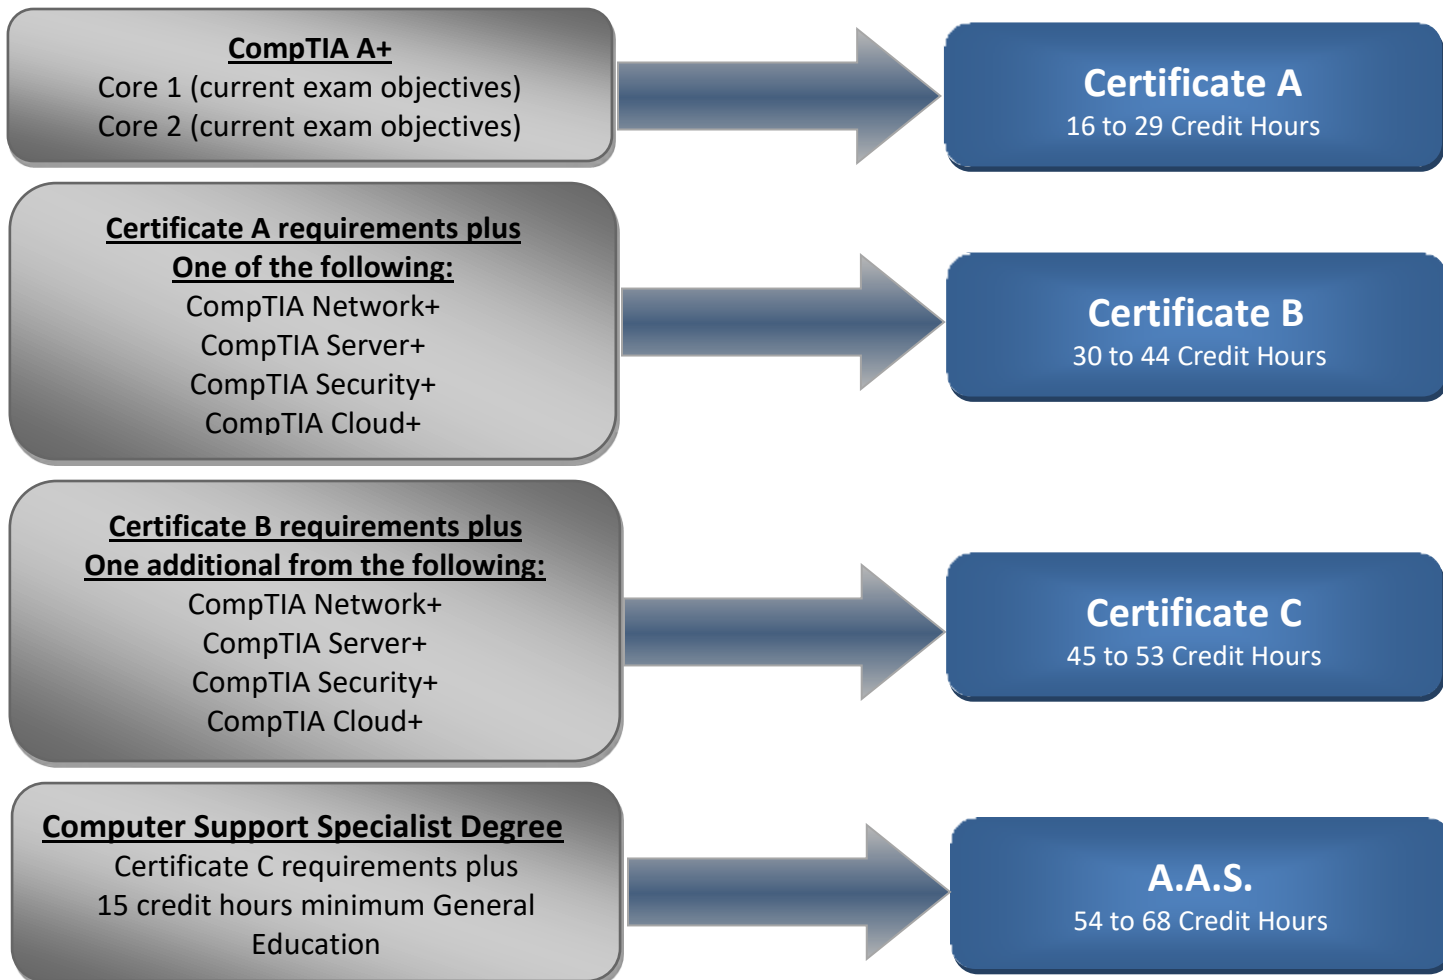

The attached proposed alignment map, reflecting the final recommendations from the faculty committee, was sent to Business & Industry for approval and issued for presidential comment from May 11, 2021 to May 25, 2021 during which no comments were received.

### Recommendation

The proposed revisions to the Computer Support Specialist program alignment have been reviewed by the Technical Education Authority's Program and Curriculum Committee and are recommended for approval.

**Computer Support Specialist Program Alignment (CIP 11.1006)  
Kansas Board of Regents**

*Approved XX/XX  
Implement by XX/XX*

**Required Courses within Program**

<b><u>Required CompTIA Courses:</u></b>	<b>6 credits:</b>
<b>CompTIA A+ Core 1</b>	<b>3 credits</b>
<b>CompTIA A+ Core 2</b>	<b>3 credits</b>

*Course list sequence has no implication on course scheduling by colleges.*

*Institutions may add additional competencies based on local demand.*

*\*Institutions may utilize existing course titles that adhere to the agreed upon course length range and competencies for the agreed upon Computer Support Specialist and support courses.*

**Notes**

Specifics pertaining to Computer Support Specialist programs:

1. Graduates are prepared to take the following Computing Technology Industry Association (CompTIA) exams:
  - CompTIA A+ Exam
  - And a minimum of two of the following:
  - CompTIA Network+ Exam
  - CompTIA Security+ Exam
  - CompTIA Server+ Exam
  - CompTIA Cloud+ Exam
2. Educational competencies align with the CompTIA certification exam objectives.

**Network+:** Computer Network courses that prepare students for the CompTIA Network+ Exam.

**Competency areas:**

1. Network Concepts
2. Network Installation and Configuration
3. Network Median Topologies
4. Network Management
5. Network Security

**Server+:** Computer Server courses that prepare students for the CompTIA Server+ Exam.

**Competency areas:**

1. System Hardware
2. Software
3. Storage
4. IT Environment
5. Disaster Recovery

**Security+:** Computer Security courses that prepare students for the CompTIA Security+ Exam.

**Competency areas:**

1. Network Security
2. Compliance and Operational Security
3. Threats and Vulnerabilities
4. Application, Data and Host Security
5. Access Control and Identity Management
6. Cryptography

**Cloud+:** Cloud courses that prepare students for the CompTIA Cloud+ Exam.

**Competency areas:**

1. Prepare, test, deploy, maintain, and secure cloud systems
2. Design a secure network for cloud deployment
3. Determine CPU, memory sizing, and storage requirement for cloud deployment
4. Analyze workload characteristics to ensure successful migration to the cloud
5. Implement backup, restore, and business continuity measures
6. Analyze cloud systems for required performance, anomalies, and growth forecasting
7. Troubleshoot deployment, capacity, automation, orchestration issues, connectivity, and security issues

## Act on requests for degree and/or certificate programs submitted from community colleges and technical colleges

### Summary

*The Board office received a request from Salina Area Technical College to offer two Technical Certificate As, a Technical Certificate B, and Associate of Applied Science degree in Early Childhood Education.*

*The program addressed all criteria requested and was subject to the 10-day comment period required by Board policy. The program was reviewed by staff and is presented for review and discussion by the Technical Education Authority's Program and Curriculum Committee.*

*8/26/2021*

### Background

Community and technical colleges submit requests for new certificate and degree programs utilizing forms approved by Board staff. Criteria addressed during the application process include, but are not limited to, the following: program description, demand for the program, duplication of existing programs, faculty, costs and funding, and program approval at the institution level.

### Description of Proposed Programs:

**Salina Area Technical College (SATC)** requests approval of the following program:

- Early Childhood Education (19.0708) – Technical Certificate A/17 credit hours, Technical Certificate A/19 credit hours, Technical Certificate B/33 credit hours, and Associate of Applied Science degree/62 credit hours

According to the U.S. Department of Education, CIP Code 19.0708 Child Care and Support Services Management is defined as a program that focuses on the provision and management of childcare services and prepares individuals to plan, design, and manage childcare facilities and programs that meet children's developmental needs and interests and that provide safe and healthy environments. Curriculum should include instruction in child development and psychology; home and institution-based childcare; identification of diseases, injuries, and psychological trauma and applicable referrals; parent relations; personnel and business management principles; and related laws and policies.

The program was developed through SATC's involvement with the local Chamber of Commerce and Economic Development Organization. The group was made aware of childcare being in critical need with some facilities operating at less than capacity due to a shortage of trained workers.

The proposed program consists of four exit points, a 17-credit hour technical certificate A that focuses on Infant and Toddler Education, a 19-credit hour technical certificate A that focuses on Pre-School Education, a 33-credit hour technical certificate B that focuses on Early Childhood Education, and a 62 credit hour associate of applied science degree. Upon completion of the program, students are eligible for the Center-Based Infant-Toddler, Center-Based Preschool, Family Child Care, and/or Home Visitor credentials offered through Child Development Associate National Credentialing Program.

The Kansas Department of Labor Long-term Occupation Projections 2018-2028 indicate a statewide change of employment for Childcare Workers of 4.1% with an annual median wage of \$22,250 with a high school diploma or equivalent as the typical education needed for entry. Annual openings equate to 1,367 jobs per year. The Childcare Workers occupation shows 27<sup>th</sup> out of 197 occupations listed on the High Demand Occupations for Kansas.

Emsi job posting analytics show that from June 2020 to June 2021, roughly 14,579 total postings (7,249 unique postings) were advertised statewide with a median advertised salary of \$28,100.

Four letters of support/commitment for the proposed program were received from the YMCA, Martin Luther King JR Child Development Center, Salina Public Schools, and Salina Area Chamber of Commerce. Supports and commitments for the program include serving as a practicum site, providing internships, providing guaranteed interviews from program completers, and general support.

Currently, thirteen institutions offer similar programs. Below are the colleges, programs, total number of concentrators, total number of graduates, total number of graduates exiting the higher education system and employed, and average wage of graduates who exited the higher education system and are employed information from the 2019 K-TIP report.

19.0709	82	30	29	\$15,837	\$17,680
Total	538	133	125		

Although formal collaboration with higher education institutions was not pursued, SATC consulted the college catalogs of several Kansas two-year colleges regarding their Early Childhood Education programs.

SATC plans to begin the proposed Early Childhood Education program in the spring of 2022. The college estimates the initial cost of the proposed program at approximately \$75,500 (\$55,000 salaries, \$5,000 equipment, \$2,500 tools and/or supplies, \$1,000 instructional supplies, \$10,000 facility requirements, and \$2,000 technology and software). All costs will be funded through the college's general fund. SATC annually budgets \$10,000 for new program development. Other dollars were reassigned from a vacant Allied Health position. Stanton Garton, Vice President of Instruction, will assume responsibility for the proposed program.

The proposed program was subject to the 10-day comment period from July 26, 2021, to August 6, 2021 during which no formal comments were received.

### **Recommendation**

The new program request submitted by Salina Area Technical College for a Technical Certificate A at 17 credit hours, Technical Certificate A at 19 credit hours, Technical Certificate B at 33 credit hours, and Associate of Applied Science degree in Early Childhood Education has been reviewed by the TEA's Program and Curriculum Committee and is recommended for approval.

## Excel in Career Technical Education (CTE) Fees

### Summary

*Per statute (K.S.A. 72-3810), the Kansas Board of Regents shall establish general guidelines for tuition and fee schedules in career technical education courses and programs. The Excel in CTE tuition and fee schedule of every technical education program shall be subject to annual approval.*

### Background

K.S.A 72-3810 states:

“All tuition and fees charged for career technical education by any board shall be in such amounts as are authorized by rules and regulations adopted by the state board which shall establish general guidelines for tuition and fee schedules in career technical education courses and programs. The particular tuition and fee schedule of every career technical education program shall be subject to annual approval of the state board. A current complete schedule of tuition and fees for each career technical education course and program of each board as approved by the state board shall be maintained on file in the office of the state board and shall be open for public inspection at any reasonable time.”

"Fees means those charges assessed against a student by a community college, technical college or the institute of technology for student services, such as health clinics, athletic activities and technology services, or for books, supplies or other materials necessary for a particular course or program, the expense of which is not covered by tuition.”

"Tuition means those charges assessed against a student by a community college, technical college or the institute of technology on a per credit hour, per course or per term basis, and that are charged to cover the general expense of providing instructional services.”

As per the Postsecondary Technical Education Authority’s (TEA) request, on Thursday, December 19, 2019, representatives from community colleges, technical colleges, and Board staff met to set guidelines for fees associated with Excel in CTE courses and programs. As a result of this meeting, agreed upon allowable fees include items/services students take with them and industry-specific fees required for entrance/acceptance into the program.

#### Allowable fees include:

- Uniforms
- Personal protective equipment
- Background checks
- Fingerprints
- Drug tests
- E-subscriptions/E-books
- Textbooks
- Certification tests
- Liability insurance (example: student malpractice)
- Graduation fees (if applicable)
- Transcript fees (if applicable)

#### Unallowable fees include:

- Student fees (general)
- Technology fees
- Health fees
- Consumables
- Any other fee not on the allowable list

Non-tiered courses - per statute (K.S.A. 71-1802) a technical program is defined as a “program of study comprised of a sequence of tiered technical courses and non-tiered courses, which is identified by the state board as a technical program for funding purposes.” For this reason, students enrolled in technical programs may take non-tiered courses and are responsible for all associated tuition and fees.

*Per statute (K.S.A. 72-3810), the Kansas Board of Regents shall establish general guidelines for tuition and fee schedules in career technical education courses and programs. The Excel in CTE tuition and fee schedule of every technical education program shall be subject to annual approval.*

*Please include all costs charged to **high school students** for the proposed new program.*

<b>Institution Name:</b>	Salina Area Technical College
<b>Program Title:</b>	Early Childhood Education
<b>Program CIP Code:</b>	19.0708

*Please list all fees associated with this **program**:  
Only list costs the institution **is** charging students.*

Fee	Short Description	Amount

*Please list all courses within the program and any fees associated to those **courses**:  
Only list costs the institution **is** charging students. Do not duplicate expenses.*

Course ID	Short Description	Amount
ECE 109	Certificate A Graduation Fee	\$17
ECE 129	Certificate A Graduation Fee	\$19
ECE 140	AAS degree Graduation Fee	\$26

*Please list items the student will need to purchase on their own for this program:  
Institution **is not** charging students these costs, rather students are expected to have these items for the program.*

Item	Short Description	Estimated Amount
Textbooks	Textbooks for required courses	\$475
Uniform	Shirt to be worn to observations and practicums in area centers/preschools	\$25

## Act on programs eligible for the Kansas Promise Scholarship Act

### Summary

*The Kansas Legislature enacted the Kansas Promise Scholarship Act (Promise Scholarship) which would provide scholarships for students to attend an eligible postsecondary education institution. Eligible programs would be any two-year associate degree program, career and technical education certificate, or stand-alone program that fall into the four fields of study prescribed. It also allows each eligible institution to designate one additional program outside the specified fields that corresponds to a high wage, high demand, or critical need occupation.*

### Background

On April 23, 2021, Governor Kelly signed [House Bill 2064](#), the Kansas Promise Scholarship Act. The Act provides \$10 million in scholarships for students to enroll in eligible programs at eligible institutions beginning academic year 2022, or July 1, 2021.

The Act also states that the Board of Regents will administer the program. Administration is broken into three categories: Rules and Regulations, Eligible Programs, and Other Responsibilities. The Kansas Postsecondary Technical Education Authority is delegated the approval of eligible programs. The Act (section 2) identifies eligible programs as any of the following fields of study:

- Advanced Manufacturing and Building Trades
- Early Childhood Education and Development
- Mental and Physical Healthcare
- Information Technology and Security

The Act (section 3) also states that “an eligible postsecondary institution may designate one additional promise eligible program if the additional program is a two-year associate degree program or a career and technical education certificate or stand-alone program that corresponds to a high wage, high demand, or critical need occupation.”

# Kansas Promise Eligibility Request Form

CA-1d Form (2021)

This application should be used for new programs (currently in the program approval process) or existing programs the institution would like reviewed for Kansas Promise eligibility.

A complete list of approved Promise Eligible programs may be located at:

[https://www.kansasregents.org/students/student\\_financial\\_aid/promise-act-scholarship](https://www.kansasregents.org/students/student_financial_aid/promise-act-scholarship)

### Program Eligibility

2021 House Bill 2064, section 2, (7) (A) identifies promise eligible programs as (i) Information Technology and Security, (ii) Mental and Physical Healthcare, (iii) Advanced Manufacturing and Building Trades, (iv) Early Childhood Education and Development.

Section 3, (c) allows for the postsecondary educational institution to designate an additional promise eligible program that corresponds to a high wage, high demand, or critical need occupation. The Act further states the postsecondary educational institution shall maintain the promise eligible program for at least three consecutive years.

Name of Institution	Salina Area Technical College
Name, title, and email of person responsible for Academic program	Stanton Gartin, Vice President of Instruction <a href="mailto:Stanton.Gartin@salinatech.edu">Stanton.Gartin@salinatech.edu</a>

**Distribution Timing of FY 2022 Appropriations  
for Technical Education (Excel in Career  
Technical Education Initiative, AO-K Proviso)**

**Elaine Frisbie,  
VP, Finance & Administration**

**Summary**

*The Excel in CTE Initiative provides state-financed college tuition for high school students in postsecondary technical education courses for students earning industry-recognized credentials in high-demand occupations. During the 2021 legislative session, a new appropriation proviso was added requiring payments for this program be made to institutions in a certain timeframe.*

**Background**

K.S.A. 72-3819, known as the Excel in CTE Initiative, provides state-financed college tuition for high school students in postsecondary technical education courses and incentives to school districts for students earning industry-recognized credentials in high-demand occupations. Funding for this program is provided through an appropriation of Tuition for Technical Education to the Board of Regents Office. The appropriation also provides funding for tuition for adults without a high school diploma or GED who are enrolled in tiered technical courses in designated Accelerating Opportunity: Kansas (AO-K) approved pathways.

Since the program's inception, funding for the tuition portion of the Excel in CTE program has been distributed twice a year based on student enrollments submitted to the Kansas Higher Education Data System by the institutions in two separate special data collections. Each year, funds were dispersed in January based on Fall enrollment data submissions and dispersed in June based on Spring enrollment data collections. During the 2021 legislative session, the following proviso was added to this appropriation impacting the timing of payments.

*And provided further, That during the fiscal year ending June 30, 2022, not later than 60 days following the class start date, expenditures shall be made by the above agency from such account for tuition reimbursement.*

In order to comply with this new expenditure timing requirement, a change is required in the collection of data, the basis of how the funds are distributed, and when funds are dispersed to institutions. The earliest institution's fall 2021 start date appears to be August 9; however, class start dates vary from institution to institution, along with several start dates within each institution. October 8, 2021 is 60 days from this earliest class start date, which is when expenditures must be made for the program. As opposed to increasing the number of data collections and making payments multiple times throughout a semester to institutions with each a new class start date, Board staff will distribute FY 2022 funds based off institutions academic year 2021 enrollment data submission. This process will increase administrative efficiency for both institutions and the Board Office.

Institutions have until September 10, 2021 to certify the college's academic year 2021 enrollment data. To allow sufficient time for data review, FY 2021 distribution reconciliations, and FY 2022 funding allocation recommendations, the Technical Education Authority approval of the FY 2022 Excel in CTE funds may occur at its regular meeting September 30 or during a special meeting.

## **Kansas Postsecondary Technical Education Authority Committees 2021-2022**

### **Budget/Finance Committee**

**Charge:** Continue to advocate for tiered technical education funding and review and make recommendations regarding updating cost model elements, financing assumptions for tiered and non-tiered courses and distribution of state funds related to technical education not already established in statute/proviso; explore outcome-based funding approach measuring graduates from technical programs; requests for state Innovative Technology grant funding; and the annual budget request for technical education funding to be forwarded to the Regents.

Committee Members:

Mike Johnson, Chair

Mike Beene

Jason Cox

Mark Hess

Eddie Estes

Keith Humphrey

Ray Frederick

### **Technical Program and Curriculum Committee**

**Charge:** Evaluate and make recommendations regarding proposed new, aligned, and existing career technical programs and tiered/non-tiered course designations; continue to improve the program evaluation process to ensure program quality and measure the effectiveness of technical education programs; support and promote the Excel in CTE (formerly SB 155) initiative, connecting secondary and postsecondary technical education, measure the impact of Excel in CTE, AO-K and GED Accelerator initiatives (especially employment); support the initiative exploring the alignment of articulated credit for military experience and training; promote articulation among two-year colleges and universities through stackable credentials and transferrable coursework; and review industry credentials required in aligned programs to ensure validity/reliability of the assessments and value to industry.

Committee Members:

Rita Johnson, Chair

Mike Beene

Debra Mikulka

Stacy Smith

Ray Frederick

### **Advocacy/Marketing Committee**

**Charge:** Propose initiatives to increase and enhance the image and awareness of career technical education and related career opportunities. Coordinate the efforts of interagency (Department of Education and Department of Commerce) collaboration to identify strategies and support efforts to increase student participation within the technical education system including outreach to individuals without a high school diploma or GED. Increase communication with Legislators highlighting the value of CTE/skilled workforce to the State's economic development. Promote marketing efforts serving the military, highlight "degree completion/inverted" baccalaureate programs, and Workforce AID initiatives.

Committee Members:

Eddie Estes, Chair

Secretary Amber Shultz

Mike Johnson

Tiffany Anderson

Ray Frederick

## **Legislative Update**

### **Summary**

*The Technical Education Authority (TEA) will receive a brief legislative update.*

*8/26/2021*

### **Intent**

Director Casey will provide the TEA with a legislative update.

## **Kansas State Department of Education (KSDE) K-12 Update**

### **Summary**

*The Technical Education Authority will receive an update on the status of the KSDE and the Kansans Can School Redesign Project.*

*8/26/2021*

### **Intent**

TEA members will be provided with a K-12 update on the status of reopening, new initiatives that have been launched and where things are going in the future.

## **KBOR Retreat Summary**

### **Summary**

*The Kansas Board of Regents held their budget workshop and retreat from July 27-29, 2021. Items discussed included university budgets, student health centers, university facilities, economic development, diversity, expanding the KU Edwards and Johnson County Community College pilot program, preliminary board goals, board responsibilities, and FY 2023 budget requests.*

*8/26/2021*

### **Intent**

The TEA will receive a brief overview of topics and issues that were discussed during the July 27<sup>th</sup> - 29<sup>th</sup> Board retreat. Specific items that are moving forward from the retreat will be addressed at upcoming KBOR meetings.

## Promise Act Update

### Summary

*The Kansas Legislature enacted the Kansas Promise Scholarship Act (Promise Scholarship) which would provide scholarships for students to attend an eligible postsecondary education institution. Eligible programs would be any two-year associate degree program, career and technical education certificate, or stand-alone program that fall into the four fields of study prescribed. It also allows each eligible institution to designate one additional program outside the specified fields that corresponds to a high wage, high demand, or critical need occupation. 8/26/2021*

### Intent

On April 23, 2021, Governor Kelly signed [House Bill 2064](#), the Kansas Promise Scholarship Act. The Act provides \$10 million in scholarships for students to enroll in eligible programs at eligible institutions beginning academic year 2022, or July 1, 2021.

The Act also states that the Board of Regents will administer the program. Administration is broken into three categories: Rules and Regulations, Eligible Programs, and Other Responsibilities. The Kansas Postsecondary Technical Education Authority is delegated the approval of eligible programs. The Act (section 2) identifies eligible programs as any of the following fields of study:

- Advanced Manufacturing and Building Trades
- Early Childhood Education and Development
- Mental and Physical Healthcare
- Information Technology and Security

The Act (section 3) also states that “an eligible postsecondary institution may designate one additional promise eligible program if the additional program is a two-year associate degree program or a career and technical education certificate or stand-alone program that corresponds to a high wage, high demand, or critical need occupation.”

TEA members will receive an update on the Kansas Promise Scholarship Act.

## **TEA Goals for AY 2022**

### **Summary**

*At the beginning of each academic year, the Technical Education Authority (TEA) establishes goals for the upcoming year. This year, the TEA will be holding its strategic planning session during the September 30, 2021 meeting, during which draft goals will be developed.*

*8/26/2021*

### **Intent**

During the September 30, 2021 TEA strategic planning meeting, TEA members will be asked to establish draft goals for the upcoming year. Staff welcomes any goal suggestions that TEA members have for the upcoming year and encourages members to ask questions if they need anything clarified before or during the meeting.
