

88-29b-8a. The exception window for resident transfer admissions. This regulation shall be applicable to the university of Kansas' review of applications beginning with the 2016 summer session. The university of Kansas may admit any Kansas resident who has earned 24 or more transferable college credit hours, but who does not meet the applicable requirements specified in K.A.R. 88-29b-4(b) or K.A.R. 88-29-4, by means of the exception window for resident transfer admissions.

(a) The maximum number of students admitted by means of this exception window shall be calculated as follows:

(1) The total number of admitted new resident students who have earned at least 24 transferable college credit hours, regardless of admission category, shall be counted on the twentieth day of the fall, spring, and summer sessions of each academic year.

(2) The maximum number of admissions calculated using this exception window shall be equal to 10 percent of the sum of the three numbers counted in paragraph (a)(1).

(b) In determining which students to admit as exceptions pursuant to this regulation, the university of Kansas shall give preference to persons who are in military service, as defined in K.S.A. 76-717 and amendments thereto.

(c) If the university of Kansas exceeds the allotted number of admissions using this exception window, the excess over the allowable total number of exceptions shall be subtracted from the subsequent year's allowable total number of exceptions for resident transfer admissions.

(d) The university of Kansas shall require each student who is admitted as an exception to the minimum qualified admission standards pursuant to this regulation to adopt an individual plan for success, before enrollment, and subsequently review that individual plan for success, as required by K.S.A. 76-717 and amendments thereto.

(Authorized by and implementing K.S.A. 2011 Supp. 76-717, as amended by L. 2012, ch. 168, sec. 11; effective Feb. 1, 2013.)
