Revised 05/01/2014

Human Lifespan/Developmental Psychology PSY 2020 CORE OUTCOMES

Upon completion of PSY 2020, Lifespan Developmental Psychology, students will be able to:

1. Differentiate developmental theories and research methods.
2. Describe social and emotional development throughout the life span.
3. Recognize cognitive and neurological development throughout the life span.
4. Identify physical development throughout the lifespan.
5. Analyze the processes of death and dying.
