## **BOARD CHAIRMAN PRAISES SENATE’S DEFERRED MAINTENANCE PLAN**

(TOPEKA) – This afternoon Regent Nelson Galle, Chairman of the Kansas Board of Regents, issued the following statement regarding the Senate Ways and Means Committee’s approval of a comprehensive higher education maintenance funding plan:

“The Senate plan represents a substantial and creative solution to an extremely challenging issue. I applaud the Ways and Means Committee’s visionary and bi-partisan approach in crafting a plan that combines strong funding components from proposals that have either been under consideration in the House or Senate, or advanced by the Governor. The Board looks forward to working with state legislators in the coming days to ultimately arrive at a meaningful funding solution.”
