88-29d-8c. The exception window for nonresident freshman class admissions. This regulation shall be applicable to the university of Kansas' review of applicants beginning with the 2022 summer session.

(a) The university of Kansas may admit any nonresident who does not meet the applicable requirements specified in K.A.R. 88-29d-7(b), (c), or (d), K.A.R. 88-29b-7a(b), K.A.R. 88-29c-7, or K.A.R. 88-29a-7a and who has earned fewer than 24 transferable college credit hours, by means of the exception window for nonresident freshman class admissions. The maximum number of students admitted by means of this exception window shall be calculated as follows:

(1) The total number of admitted new nonresident students who have earned fewer than 24 transferable college credit hours, regardless of admission category, shall be counted on the twentieth day of the fall, spring, and summer sessions of each academic year.

(2) The maximum number of admissions that may be made using this exception window shall be equal to 10 percent of the sum of the three numbers counted in paragraph (a)(1) or 50 students, whichever is greater.

(b) In determining which students to admit as exceptions pursuant to this regulation, the university of Kansas shall give preference to persons who are in military service, as defined in K.S.A. 76-717 and amendments thereto.

(c) If the university of Kansas exceeds the allotted number of admissions using this exception window, the excess over the allowable total number of exceptions shall

be subtracted from the subsequent year's allowable total number of exceptions for nonresident freshman class admissions.

(d) The university of Kansas shall require each student who is admitted as an exception to the minimum qualified admission standards pursuant to this regulation to adopt an individual plan for success, before enrollment, and subsequently review that individual plan for success, as required by K.S.A. 76-717 and amendments thereto. (Authorized by and implementing K.S.A. 76-717; effective Feb. 4, 2022.)
