

Apply Kansas

2024 ANNUAL REPORT

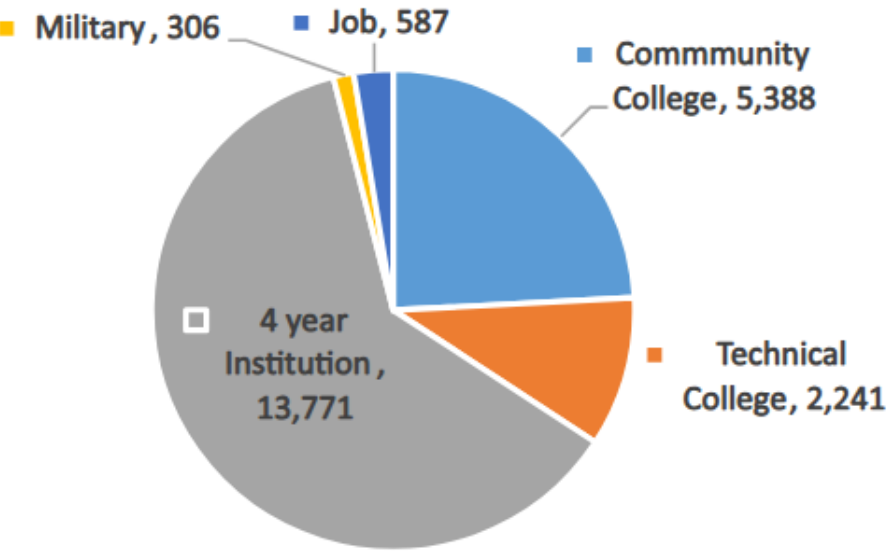

Apply Kansas gives high school seniors time and space during the school day to work on their post high school plans. With help and guidance from school staff, community, and post-secondary partners, seniors submit applications and supplemental forms for post-secondary institutional scholarships, trade programs, jobs, and military placement following graduation. Apply Kansas is in conjunction with the [American College Application Campaign](#).

Apply Kansas Applications

All applications are celebrated in the Apply Kansas campaign!

Over **90%** of college applications submitted were to Kansas Public Institutions
