KANSAS PROMISE
SCHOLARSHIP ACT

January 2022

KANSAS PROMISE SCHOLARSHIP ACT

The 2021 Legislature enacted House Bill 2064 creating the new scholarship and designating the Kansas Board of Regents (Board) as the administrator of the new program. The Kansas Promise Scholarship Act (Promise Scholarship) provides scholarships for students to attend an eligible postsecondary institution for two-year associate degree programs, career and technical education certificates, or stand-alone programs otherwise identified by the Board, with an expectation that the student obtain a credential in one of those areas and upon completion reside and work in Kansas for two years.

PURPOSE OF THE PROGRAM

The purpose of the grant program is to offer Kansans the opportunity to earn a credential in high demand fields, including information technology and security, mental and physical healthcare, advanced manufacturing and building trades, and early childhood education and development and to provide Kansas industries with the employees they need in these fields.

INSTITUTIONS

Institutions of higher education eligible to participate in the Promise Scholarship program are designated in the legislation to include the public community and technical colleges, Washburn Institute of Technology, and any independent, not-for-profit accredited postsecondary institution that offers a program eligible under the Act.

The participating institutions include:

Allen Community College
Barton Community College
Butler Community College
Central Christian College
Cleveland University-KC
Cloud Community College
Coffeyville Community College
Colby Community College
Cowley Community College
Dodge City Community College
Donnelly College
Flint Hills Technical College
Fort Scott Community College
Garden City Community College
Hesston College
Highland Community College
Hutchinson Community College

Independence Community College
Johnson County Community College
Kansas City Kansas Community College
Labette Community College
Manhattan Technical College
Mid-America Nazarene University
Neosho County Community College
Newman University
North Central Kansas Technical College
Northwest Kansas Technical College
Pratt Community College
Salina Area Technical College
Seward County Community College
Washburn Institute of Technology
Wichita State University Campus for
Applied Science & Technology
University of Saint Mary

Institutions were charged with making individual awards to eligible students (including verification of students' eligibility), entering into a Promise Scholarship service agreement with each student awarded a scholarship, and creating and maintaining student-level records as required by the Board of Regents to document satisfaction of the bill's requirements. Institutions were instructed to credit their Promise Scholarship funds to the recipients' accounts to pay the appropriate amount of tuition, required fees, books, and required materials for the eligible program in which the student enrolls.

Each institution signed an agreement with the Board of Regents to formalize, for the first year of the program, when disbursement of state funds from the Board to the institution occurs, to identify the allowed and prohibited expenditures of the state funds, to identify the institution's responsibilities with regard to administering, publicizing, and reporting on the state funds.

STUDENTS

The requirements for students to qualify for the Kansas Promise Scholarship are as follows:

To be eligible for a Kansas Promise Scholarship award, a student must:
- Be a Kansas resident; AND
- Meet one of the following criteria:
  - Have graduated from a Kansas secondary school within the preceding 12 months; or
  - Have attended a Kansas secondary school and, within the preceding 12 months obtained a high school equivalency credential; or
  - Be 21 years of age or older and a Kansas resident for the preceding three consecutive years; or
  - Be a dependent child of a military servicemember permanently stationed in another state; for dependent children of military servicemembers stationed in another state, the applicant must have, within the preceding 12 months, graduated from any out-of-state secondary school or obtained a high school equivalency.

To receive a Kansas Promise Scholarship award (initial or renewal), the student must also:
- Complete the required Kansas Promise Scholarship application; and
- Complete the Free Application for Federal Student Aid (FAFSA); and
- Enter into a Kansas Promise Scholarship Agreement (only at initial application); and
- Enroll in an eligible program at an eligible institution (may be part-time or full-time but enrolled in at least six hours per semester).

To be eligible to renew a Kansas Promise Scholarship and avoid repayment of the award, the student must also maintain satisfactory academic progress toward completion of their Promise Scholarship eligible program and complete their Promise Scholarship eligible

program for which the scholarship was awarded within 30 months of the date that the scholarship was first awarded.

SCHOLARSHIPS

Within certain income guidelines, students may receive a scholarship in the amount of:
- Aggregate amount of tuition, required fees, books, and required materials
- Less all other aid, grants, scholarships, or financial assistance awards that do not require repayment.

For eligible students attending a four-year eligible postsecondary institution, the scholarship award is limited to the average cost of what is charged by a two-year eligible public institution offering the same program.

Scholarships are to be prioritized according to applicants' annual household income:
- $100,000 or less for a family of two;
- $150,000 or less for a family of three; and
- $150,000 + $4,800 per additional family member beyond three.

If funds remain after awarding eligible applicants, other students with greater household income may become eligible.

KANSAS BOARD OF REGENTS DUTIES

The Act requires the Board to adopt rules and regulations on or before March 1, 2022, pertaining to:

- Application deadlines for the scholarship;
- The appeals process for denial or revocation of a scholarship;
- Transferability of a graduated student's credits from an institution to a state educational institution or a municipal university;
- The terms, conditions, and requirements of the scholarship agreement to be entered by each student who receives a scholarship;
- Procedures for requesting and approving certain absences from an institution (to stop the 30-month program completion clock);
- Criteria for determining whether a student has fulfilled the employment and repayment requirements specified in the bill and the scholarship agreement; and
- Criteria for determining whether special circumstances or good cause are present that prevent a student from completing the scholarship requirements.

The Kansas Board of Regents has initiated the process of drafting rules and regulations. As of the date this report was submitted, the Board has solicited feedback from stakeholders and submitted the regulations to the Director of the Budget and the Department of Administration for review. Until such time as regulations could be finally adopted, agreements with each participating eligible institution were drafted, negotiated with all parties, and signed.

The Kansas Promise Scholarship Act also requires the Board to identify the eligible programs that are in the following fields of study:
- Information technology and security;
- Physical and mental health care;
- Early childhood education and development;
- Advanced manufacturing and building trades; and
- A program designated by the institution according to Section 3 of the bill.

The Postsecondary Technical Education Authority assisted the Board of Regents in the process of identifying programs submitted by the eligible institutions. As of the date this report was submitted, 676 programs have been identified by the Board as eligible for a Promise Scholarship.

Eligible programs are listed here:
https://kansasregents.org/resources/PDF/Students/Student_Financial_Aid/Eligible_Programs_for_website.pdf

The Act also requires the Board to:
- Work with community partners to publicize the Promise Scholarship program;
- Disburse funds to each institution;
- Request information from each institution;
- Ensure students fulfill the scholarship agreement; and
- Starting in January 2022, annually evaluate the Promise Scholarship program and report to the standing education committees of the House of Representatives and the Senate.

The Governor signed the Act into law on April 23, 2021. Immediately after, the Board of Regents began the process of administering the new program, which took effect on July 1, 2021.
- A standard application and scholarship agreement were created and distributed to all eligible institutions;
- An agreement establishing the terms under which the State funds were being distributed to each institution in the first year of the program was drafted, negotiated, and executed with each eligible institution;
- FAQs were developed to assist institutions with implementation;
- Webinars were conducted to assist institutions with implementation; and
- The Board's Director of Financial Aid worked one-on-one with institutions' financial aid offices as needed.

With all of this in place, the Board was able to begin distributing funds to each institution as it entered its agreement, beginning the week of July 1, 2021.

A Promise Scholarship page on the Board of Regents' website was established at https://kansasregents.org/students/student_financial_aid/promise-act-scholarship.

An informational sheet of the Act was prepared and published here: https://kansasregents.org/resources/PDF/Students/Student_Financial_Aid/Kansas_Promise_Act_Info_2021.pdf.

Four webinars were offered in May and June for staff in the field to ensure adequate communication across the 32 institutions plus Washburn Institute of Technology with regard to how the new program would be administered. The videos are published here: https://kansasregents.org/students/student_financial_aid/promise-act-scholarship

The scholarship application the Board developed by June 1, 2021, and issued to all participating institutions is published here https://kansasregents.org/resources/PDF/Students/Student_Financial_Aid/Kansas_Promise_Scholarship_revised_cover_page__application_form_final.pdf.

STATE APPROPRIATION

The Kansas Board of Regents received a $10 million appropriation for FY 2022 and FY 2023 (Sections 48(a) and 49(a) of 2021 Senate Bill 159). Beginning in FY 2024, subsequent appropriations are not to exceed 150% of the preceding year's expenditures.

For purposes of planning for administration of this program, it has been assumed that the entire appropriation is to be used for student awards and cannot be used for administration of the program.

To determine how much of the appropriation to make available to the participating eligible institutions for scholarship awards, student enrollment data of Kansas resident students in the Promise Act eligible programs was reviewed for the three prior years. The $10.0 million was then apportioned across the institutions according to the size of the three-year average enrollment in those programs but placing a floor of $100,000 to five institutions with smaller enrollments (Independence Community College, Salina Area Technical College, Hesston College, Cleveland University-KC, and Donnelly College).

Once an institution executed its agreement with the Board of Regents, a disbursement representing one-third of their annual share was made to the institution, most of which was sent in mid-July but continued through mid-August as executed agreements were received by the Board of Regents. Additional distributions were made in September to cover the greater demand at some institutions in Fall semester. Second distributions were made in early January to meet projected enrollments for the balance of the year. If there is greater demand than the current funding received, an additional disbursement will be made to institutions during the Spring semester.

DATA COLLECTIONS

In the Summer of 2021, the Board of Regents began the process of determining the data fields necessary to be gathered from the participating institutions in order to fulfill the Board's obligation to report to the Legislature in January 2022. A webinar was held by Board of Regents for the employees at the public colleges responsible for submitting the Promise Act data in late August, and for the private independent institutions in October. Using the Board's secure data submission system, the data collection was established and opened to institutions on November 1 and closed on November 30, 2021.

For the public institutions, the information necessary for providing future Promise Scholarship reports will be requested within the annual KHEDS data collection. A webinar to review the KHEDS updates for the Promise Act will be held for field staff in February.

For the private institutions participating, there will remain an annual, separate data collection.

The information submitted in November 2021 was reviewed and validated, with the results of that collection attached to this report. In total, there were 663 Promise Act recipients in Fall 2021, enrolled in the following program types:

Program Type	Promise Award Recipients
Advanced Manufacturing and Building Trades	151
Early Childhood Education and Development	28
Mental and Physical Healthcare	376
Information Technology and Security	75
Institution Designated Program	33
Total Awards by Program Type	**663**

Promise Act Eligible Educational Institutions

Allen Community College
Barton Community College
Butler Community College
Central Christian College of Kansas
Cleveland University of Kansas City
Cloud County Community College
Coffeyville Community College
Colby Community College
Cowley Community College
Dodge City Community College
Donnelly College
Flint Hills Technical College
Fort Scott Community College
Garden City Community College
Hesston College
Highland Community College
Hutchinson Community College
Independence Community College
Johnson County Community College
Kansas City Kansas Community College
Labette Community College
Manhattan Area Technical College
MidAmerica Nazarene University
Neosho County Community College
Newman University
North Central Kansas Technical College
Northwest Kansas Technical College
Pratt Community College
Salina Area Technical College
Seward County Community College
University of Saint Mary
Washburn Institute of Technology
Wichita State University Campus of Applied Science and Technology

Allen Community College

Advanced Manufacturing and Building Trades

Healthcare (physical and/or mental) Transfer Program(s)	

Information Technology and Security	
Career Technical Education Programs	
Information Technology and/or Security Transfer Program(s)	

College designated program Supportive high wage, high demand, or critical need	

Promise Eligible Colleges

North Central Kansas Technical College

Advanced Manufacturing and Building Trades	
Career Technical Education Programs	
15.0614	Welding Engineering Technology/Technician
46.0201	Carpentry-Cabinetmaking
46.0302	Electrical Technology
46.9999	Building Construction Technology
47.0105	Automated Controls Technology
47.0201	Plumbing, Heating & Air Conditioning
48.0508	Welding
49.0202	Heavy Equipment Operation

Early Childhood Education and Development	

Healthcare (physical and mental)	
Career Technical Education Programs	
51.0805	Pharmacy Technician
51.2603	Medication Aide
51.3801	Associate Degree Nursing
51.3901	Practical Nursing
51.3902	Nursing Aide

Information Technology and Security	
Career Technical Education Programs	
11.0901	Information Technology

College designated program Supportive high wage, high demand, or critical need occupation	

Promise Eligible Colleges

Northwest Kansas Technical College

Advanced Manufacturing and Building Trades	
Career Technical Education Programs	
15.0201	*Engineering Technology*
46.0201	*Carpentry*
46.0302	*Electrical Technology*
48.0508	*Welding*

Early Childhood Education and Development	
Career Technical Education Programs	

Healthcare (physical and mental)	
Career Technical Education Programs	
51.0801	*Medical Assistant*
51.0904	*Emergency Medical Technician*
51.0908	*Respiratory Therapy*
51.2603	*Certified Medication Aide*
51.3902	*Certified Nurses Aide*

Information Technology and Security	
Career Technical Education Programs	
10.0303	*Computer Graphics Technology*
11.0902	*Cloud Computing & Appl Development*

College designated program Supportive high wage, high demand, or critical need occupation	
47.0613	*Diesel Technology*

Promise Eligible Colleges

<div align="center">Pratt Community College</div>

Advanced Manufacturing and Building Trades	
Career Technical Education Programs	
46.0301	*Electrical & Power Transmission*
48.0508	*Welding Technology*
