N/A

**ii. Tuition and Fee Payments**

Statements are prepared as of the 15th each month and the due dates will appear on the statement and the online student account center. Due dates in August and January will correspond with the start of the fall and spring terms.

Students who early enroll in courses for a term will have their tuition/fees on the following monthly statements:

<b>Term</b>	Fall	Spring	Summer
<b>Bill Date</b>	Late July	December 15	May 15

Student account credit balances of less than \$5.00 will be charged a “dormant account fee” of the amount of the credit balance when the account has been inactive for a period of one year.

**iii. Tuition Payment Plan**

Students may sign up for a four-installment payment plan during fall and spring terms and a two-month installment plan during the summer term. There will be a \$45/fall term, \$45/spring term and \$24/summer term administrative fee for utilizing the installment plan. For more information, contact [Cashiers and Student Accounts](#), 211 Anderson Hall, (785) 532-6317.

**iv. Late Payment Fees**

If the total balance due on each statement is not paid by the due date, there will be a Default Charge of 1.5% compounded monthly assessed on the amount billed but not paid.

If account balances are not paid as agreed or acceptable payment arrangements are not kept current, collection agency fees will be added to the account and the account will be referred to a collection agency. The collection agencies may report to one or more national credit bureaus.

**v. Late Enrollment Fees**

Initial enrollment on or after the first day of the term	\$ 65.00
Note:	
<ul style="list-style-type: none"><li>• Non-standard courses will be assessed the special handling fee if the initial enrollment is on or after the first day of the course. A special handling fee does not apply when adding courses to existing enrollments or to corrections of tuition assessments.</li><li>• Not subject to refund.</li></ul>	

**vi. Deferred Payments**

Students may be eligible for a deferment of tuition and fees when they have met certain guidelines as authorized by the Kansas Board of Regents. Deferments provide eligible students with additional time to pay tuition and fees.

Following are the authorized categories for the suppression of the Default Charge (duration of suppression based on category):

- Students who have all financial aid application requirements and whose awards have been made by the June packaging date but whose aid has not been disbursed. Students must pay any amount of tuition and fees over and above the pending financial aid award.
- Graduate students on assistantship who will be receiving a university paycheck (GA, GRA, GTA).
- Military veterans eligible to receive monthly benefits from the U.S. government.
- International students awaiting funds from their home country.

## Policies

### 1.0 Payment of Tuition and Fees

Various options for the payment of tuition and fees are available on the [Cashiers and Student Accounts website](#).

### 2.0 Record and Enrollment Holds

The university will withhold students' records and deny future enrollment for non-payment of fees, loans and other appropriate charges and for non-return of university property.

### 3.0 Eligibility for Resident Tuition

**Residents.** Guidelines for the determination of residency for tuition purposes are set forth in [Chapter II, Section B.6 Student Residency, Tuition/Fees and Payments](#) of the Kansas Board of Regents Policy Manual along with referenced Kansas Statutes and Administrative Regulations.

Current U.S. Armed Forces personnel (army, navy, marine corps, air force, coast guard, Kansas army or air national guard or any branch of the military reserves of the United States), veterans eligible for educational benefits under federal law, and the spouses or dependent children of such veterans or armed forces personnel are entitled to pay tuition and fees at the resident rate (K.A.R. 88-3-8). Verifying documentation is required. In addition, a veteran who was permanently stationed in Kansas during service in the armed forces or had established residency in Kansas prior to service in the armed forces, as well as the veteran's spouse or dependent children, is entitled to pay tuition and fees at the resident rate.

The following non-resident students are eligible to pay resident tuition while continuing to be classified as non-residents:

**Unclassified employees and university support staff of universities** under the Kansas Board of Regents working .40 FTE or more and graduate students working a combined .40 FTE (graduate assistant, graduate teaching assistant, graduate research assistant) during the periods below:

- For fall terms (employed September 1 through November 17)
- For spring terms (employed February 1 through April 17)
- For summer terms (employed the duration or employed from February 1 through April 17)
- For the term in which a graduate degree is awarded (Graduate School approval required if not employed full semester)

**Employees of the federal government** given adjunct appointments at Kansas State University or assigned to a ROTC unit at Kansas State University.

**Dependents.** Spouses and dependent children of full-time employees.

**Exchange students from Missouri.** Students eligible to pay resident fees at the University of Missouri who are enrolled in the following programs at Kansas State University: Bachelor of Architecture, Bachelor of Science in Architectural Engineering, Bachelor of Interior

Architecture, Bachelor of Landscape Architecture, Master of Architecture, Master of Interior Architecture, Master of Landscape Architecture, and Master of Industrial Design.

This privilege is granted in exchange for resident fees for Kansas students who enroll in certain programs in Missouri (subject to limitation arbitrated by Kansas Board of Regents and Missouri Board of Education).

**Kansas high school graduates.** Persons who are not domiciliary residents of the State, who have graduated from a high school accredited by the State Board of Education within six months of enrollment, who were domiciliary residents of the State at the time of graduation from high school or within 12 months prior to graduation from high school, and who are entitled to admission at a State educational institution pursuant to K.S.A. 72-116, and amendments thereto.

Kansas high school graduates, who attended an accredited Kansas high school for at least three years and who are either formally seeking legal immigrant status, or who are not eligible for resident tuition at any public postsecondary institution located in another state, may be eligible for resident tuition (KSA 76-131a).

**Recruited/transferred employee.** Persons who have been recruited to Kansas for full-time employment or transferred at the request of the employer to a Kansas location within the last 12 months and their dependents. Self-employed persons and military personnel are not eligible for this resident tuition status.

Additional residency information is available on the [Office of the Registrar website](#).

#### 4.0 Refund Policy

The following table applies to students who drop one or more courses or completely withdraw from a term. Refunds are calculated by counting calendar days, including Saturdays, Sundays and holidays. Percentages and days are illustrated for full-term/regular session courses. Refunds for courses of less than a full term (non-standard session courses) will be pro-rated based on the number of days in the course. Refer to the Non-Standard Drop/Refund Dates table for non-standard session course deadlines. Each course will be refunded separately from any other courses. If any refund deadline falls on a weekend or university holiday, the deadline will be extended to the next business day.

Time of Withdrawal	Refund Percentage
Through 21st calendar day	100%
22nd through 28th calendar day	50%
After 28th calendar day	No refund

Refunds will not be made until sufficient time has elapsed to ensure that fee payment checks have been honored by the bank, usually 15 business days after the student pays. Refunds generated entirely from dropped courses will not be issued during the first 20 days of course. Students who completely withdraw from a term lose access to all campus student services as of the date of withdrawal. Academic action taken after the last day of a term will not result in a refund.

Federal regulations may require students attending the university who receive federal forms of financial assistance under Title IV, and completely withdraw from the university, to be subject to a “return of Title IV aid” calculation which is different from the above refund percentages. Contact the Office of Student Financial Assistance, 104 Fairchild Hall, (785) 532-6420 for details.

### **Military**

For military students, in addition to university refund policy, as stated in Section XX of the Comprehensive Fee Schedule, from the day when the class reaches 24% completion until the day it reaches 60% completion, one percent of the tuition assistance (TA) funds will be returned to the Department of Defense and the student’s personal account will be assessed the amount that is returned. Students who must report for active U.S. military duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official military documentation. Students who volunteer for military service will be subject to the university’s non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

### **Kansas State University Global Campus**

Some professional degree programs may have special refund policies that will be published in the program announcement. Refund policies for non-credit programs will be stated in the published announcement. A full refund will be made if the program is cancelled.

## **5.0 Employee Tuition Rates**

Employees, as described in Policy Section 3.0, are assessed resident tuition. The [Tuition Assistance Program](#) is available to full-time (at least 0.9 FTE), benefits eligible employees.

## **6.0 Dependent Tuition Rates**

Dependents or spouses of eligible employees at Kansas State University may be eligible for the [K-State Dependent/Spouse Grant Program](#).

## **7.0 Graduate Teaching Assistant Tuition Waivers**

Tuition responsibilities for graduate students depend on the nature of the appointments. Students holding a 0.4 FTE appointments as a GRA/GTA/GA, or any combination of these, are assessed tuition at the resident rates according to an established schedule.

Graduate students appointed as GTAs are eligible for tuition waivers. Graduate students appointed on full-time GTA appointments (0.5 FTE) receive tuition waivers for a maximum of 10 hours in the fall and spring semesters and 6 hours in the summer semester. Hours taken during January intersession are counted in the total number of hours for the tuition waiver paid in the spring semester. Hours taken during May and August intersessions are counted in the total number of hours for the tuition waiver paid in the summer semester. GTAs appointed less than 0.5 FTE are eligible to receive partial tuition waivers based on the proportion of the teaching appointments.

Additional information is available in [Chapter 1, Section G of the Graduate Handbook](#).

## **8.0 Midwest Student Exchange**

The Midwest Student Exchange is for residents of Illinois, Indiana, Michigan, Minnesota, Missouri, Nebraska, North Dakota, Ohio or Wisconsin. It is awarded to students with a minimum 3.5 high school GPA and 24 ACT or 1160 SAT in eligible states. Eligible students pay no more than 150% of in-state tuition. Students earning the Midwest Student Exchange are eligible for an additional award of \$2,500 per year, making the total award approximately \$12,000 per year. A 3.0 or higher K-State GPA is required for renewal.

## **9.0 Missouri Reciprocal**

Awarded to students who are Missouri residents and are enrolled in one of the eligible curricula. Qualified students will be charged Kansas resident tuition and fees. Students are selected on the basis of academic merit and financial need. Eligible curricula include:

- architectural engineering,
- architecture,
- interior architecture and product design, and
- landscape architecture.

# Policy Section

(Each University may compile applicable policy information within this section or provide links to a policy website)

## 1.0 Payment of Tuition and Fees

### Auditing Course Fees

Tuition and fees per credit hour for courses and workshops audited are the same as for courses taken for credit.

### Unpaid Fees

Students who leave Wichita State University without meeting financial obligations to the University will have their records impounded by the Registrar and their account may be sent to a collection agency resulting in additional fees. Their transcripts or diplomas will not be issued unless their account is cleared, and they may not enroll for a new term unless all fees are paid.

Students who are eligible to graduate but still have unpaid tuition balances will not receive their diploma until those fees are paid.

### Drop/Add Fee Policy

Students who drop credits in the same term and do not add credits will be charged the proportional percentage based on the week they drop the credits.

Students who drop and add credits in the same term will not be required to pay additional tuition/fees if the following conditions are met:

1. The drop and add occurs in one transaction; and
2. There are an equal number of credit hours added as are being dropped and the credit hours have an equivalent charge.

A course that has been added in accordance with parts 1 and 2, and is subsequently dropped, will retain the same refund percentage as the original course dropped. Students who drop the added course that met the above conditions will have an adjustment made to their account. (Example: A student drops course A and adds course B. Course A would have had a 0 percent refund; however, because conditions have been met, student receives a 100 percent refund for course A. Student then decides to drop course B. An adjustment is made to the account reversing the 100 percent refund received for course A.)

### **Yellow Ribbon Program**

WSU has joined the Yellow Ribbon Program, an initiative of the Department of Veteran Affairs through which WSU and the VA share in the cost of the difference between in-state and out-of-state tuition. This program will make it more affordable for a larger number of out-of-state students with military backgrounds to attend WSU.

### **Tuition Waiver for Kansas Teacher of the Year**

Kansas Teacher of the Year recipients are allowed to enroll tuition free in up to 9 credit hours annually provided the individual is actively pursuing a teaching career in Kansas. To be eligible, a person must be (1) a past or present recipient of the Kansas Teacher of the Year Award under the program administered by the Kansas Department of Education, and (2) employed as a teacher in an educational institution accredited by the Kansas Department of Education. A list of persons eligible for this tuition waiver is on file in the Board of Education Office.

### **Student Fee Waivers**

Student fees shall be waived for all Wichita State University benefits-eligible employees, adjunct faculty members and lecturers. These university employees must have an appointment for the semester in which the student fee is applicable.

Student fees shall be waived for enrolled students who are working in their Cooperative Education or Applied Learning job or who are performing a required clinical rotation or internship off the Wichita State University campus (defined as the City of Wichita, its contiguous industrial sites and the South and West Campuses) for the entire semester.

Student employees and graduate assistants are not eligible for student fee waivers.

### **Senior Citizen Fee Waiver**

In accordance with the Kansas Board of Regents policy, students who are at least 60 years of age may audit (no-credit) regular lecture or certain group activity courses – when there is space available and for which they meet the prerequisites – without payment of tuition and student fees, campus infrastructure and support fees, and technology and transportation fees.

However, senior auditors must pay for any applicable workshop fees and lab/special course fees. Prerequisites include admission to graduate school for graduate courses, and program admission for courses in which program admission is required of all students.

Senior citizens must present a Medicare card or driver's license to validate age. A special senior citizen registration is held after the first day of classes. Senior citizens desiring college credit or the assurance of space in specific courses may enroll and pay full fees during regular registration.

Senior citizens who have not enrolled at WSU before must complete an Application for Admission and pay the application fee before registering at the undergraduate or graduate Admissions Office, \$40.00 for

undergraduate or \$50.00 for graduate.

Senior citizens who want to participate in at least one of the Human Performance Studies (HPS) 152 sections have three options:

1. Purchase a membership in the Center for Physical Activity and Aging (CPAA), \$50.00 for membership purchased at the HPS department. Enrollment through the Registrar's Office is not necessary.
2. Those who want more complete access to Heskett Center and Ablah Library privileges may join the CPAA and enroll through the Registrar's Office with audit status in a zero-credit hour section. Costs include \$50.00 membership fee, \$21.00 + tax Heskett Center fee paid at the Heskett Center, and any applicable workshop fees and lab/special course fees.
3. Senior citizens may enroll in one class for full credit at a total cost of the current tuition and student fees, campus infrastructure and support fees, and technology and transportation fees.

Members of the CPAA are eligible each semester for functional assessment testing of their ability to perform daily living activities and an annual bone density evaluation. Membership also provides education concerning the concepts of active aging to the older adult population through newsletters, workshops, lectures and exercise demonstrations.

## 2.0 Record and Enrollment Holds

When necessary, the University may withhold a student's official transcript and/or permission to re-enroll for the nonpayment of tuition and fees, loans, other charges and for failure to return University property. Students may be required to pay collection agency and attorney fees and all other charges necessary for the collection, as allowed by law, of any amount not paid.

## 3.0 Eligibility for Resident Tuition

### Board of Appeals Residency Status

Two faculty members, a department Director, a representative of the Office of Financial Operations & Business Technology, and a representative of the General Counsel's Office constitute the Board of Appeals for students who believe their residency status has been incorrectly assessed. The decision of this committee is final. Forms to initiate this process may be obtained in the Registrar's Office, 102 Jardine Hall.

## 4.0 Refund Policy – Complete and Partial Withdrawals

All deadlines are expressed in terms of business days (Monday through Friday) – the specified number of business days beginning with the first business day of each Part of Term (POT). If a class starts on a Saturday or Sunday, the first business day is the following Monday (unless that is a holiday). A business day is any day that most university offices are open for business. For refund and RSTS code purposes, it does not matter if the business day is one when classes are in session or not. For Withdrawal with a W purposes, only business days when classes ARE in session are counted.

To withdraw completely from the University, students must process withdrawals for all classes in which they are enrolled. Students are eligible for refunds as shown below:

Number of Weeks of Course	Number of Business Days to Receive 100%
16-15	10
14	10
13	8
12	8

11	8
10	5
9	5
8	5
7 1/2	5
7	4
6	4
5	4
4	3
3	1
2	1
1	1
Less than 1 week	1
ACN (Accelerated Nursing)	
fall & spring	10
summer	5
EMBA (Executive MBA)	5

**Guiding Principles:**

- In short-term classes, students will have the first class period to determine if the class is suited for them. Students who register late or fail to attend the first class period in short term classes will not be eligible for 100 percent refunds according to the policy.
- The *first class day* refers to the first day of the part of term as defined by the department and Registrar’s Office; thereafter, the *day* refers to the business day. The length of the *part-of-term* determines the refund, not the start and end date of the course. When a course’s part-of-term length falls between two of the above categories, then the shorter one is used. (Example: If course A part-of-term begins Monday and the actual course meets on Thursday, the refund business day begins with Monday, not Thursday. For an exception to this policy, student must complete the Petition for Exception to Tuition Refund Policy for Dropping Courses form.)
- If a short-term class begins on Friday night, Saturday or Sunday, the student will have until the end of the first business day to drop the course. In order to receive a 100 percent refund for the class, the student must provide documentation that he/she did not attend more than four hours of the class.
- No one other than the Financial Operations and Business Technology Office or the Tuition Refund Board of Appeals is authorized to determine the amount of tuition refund a student will receive.

**Exceptions to the Refund Policy:**

- Students who, because of extenuating circumstances, seek a higher refund than is available by policy, must petition the Tuition Refund Board of Appeals. Petition forms are available at the myWSU myFinance tab or the Office of Financial Operations and Business Technology, 201 Jardine Hall. The petition must be filed with the appropriate documentation. A Petition for Tuition Refund beyond the policy must be filed at the Financial Operations and Business Technology Office within the semester the course was taken.

- Students who may have received approval from the University Exceptions Committee for a late withdrawal from a previous semester are not eligible by policy for a tuition refund. These are separate issues and decisions. Medical or military approvals will receive a 100% tuition refund.

### **Military Refund Policy:**

Students serving in the National Guard or Reserves who are called to active duty during an academic term are entitled to receive a full refund of tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who are classified as civilians but choose to assist in non-mandatory U.S. military related efforts, are not covered by this exception and will be subject to the university's nonmilitary refund policy. Room and board charges will be prorated to the extent that services have been provided.

The University will return any unearned tuition assistance (TA) funds by using the standard formula for determining the amount of TA earned by the institution. This is calculated on a percentage basis by dividing the number of days a student completes, based on the last date of attendance, by the total number of days in the course. This calculation, if less than the 60% completion rate, determines how much TA the student has earned and for how much the military branch may be invoiced. Should there be any remaining TA funds prior to the 60% period of a course, these funds will be reimbursed directly to the military branch from which the funds were provided, not to the student.

## Policy Section

### 1.0 Payment of Tuition and Fees

#### Auditing, Visiting, or Non-Credit Course Fees

Same charge as regular enrollment.

#### Tuition Policy for Post Baccalaureate Students

Post-baccalaureate students seeking graduate degrees pay graduate tuition rates. Post-baccalaureate students who are not in a degree seeking program (licensure or non-degree seeking) may apply through the Graduate application process for consideration of undergraduate tuition for courses numbered 100-499. Courses numbered 500 and above will be charged at the graduate rates. All courses are charged by the credit hour regardless of the number of enrolled hours.

#### Tuition Policy for Undergraduate Students Receiving Graduate Credit

An undergraduate student may apply a maximum of 12 hours of credit earned in courses numbered 500-799 to a degree program. Approval of the graduate dean prior to enrollment is required to receive graduate credit for those courses. The graduate faculty of each department determines whether graduate courses previously taken are appropriate for a given graduate degree program.

#### Fee Waiver for Persons Age 60 or Over

Residents of Kansas who are 60 years of age or over on the first day of the term may take courses at the University without paying the regular fee. Some courses may have special fees. The special fees will be paid if the special fees cover the direct cost of supplies and materials. A course taken free cannot be counted toward a degree. The person will be considered an auditor in the class and admission to the class will be by permission of the instructor and only if space is available. Interested individuals should consult with the Registrar or the Director of Admissions.

#### Kansas Teacher of the Year Tuition Waiver

Tuition will be waived for up to nine hours annually for any past or present Kansas Teacher of the Year. To be eligible, a person must be a past or present recipient of the award under the program administered by the Kansas Department of Education and be employed as a teacher in an educational institution accredited by the Kansas Department of Education.

### 2.0 Record and Enrollment Holds

When necessary, the University may withhold a student's official transcript and/or permission to re-enroll for the nonpayment of tuition and fees, loans, other charges and for failure to return University property. Students may be required to pay collection agency and attorney fees and all other charges necessary for the collection, as allowed by law, of any amount not paid.

### 3.0 Eligibility for Resident Tuition

The registrar of each institution governed by the Kansas Board of Regents shall determine the residence status for fee purposes of each student who enrolls in the institution.

### 4.0 Refund Policy

Students will receive a 100% refund of tuition and fees for classes dropped through the 10<sup>th</sup> day of class. There is no refund for classes that are dropped on the 11<sup>th</sup> day of class through the end of the semester. For short term classes taught in less than the regular semester, the 100% refund period will follow the policy on dropping a class. The official drop period shall be determined by the Registrar's Office. For dates of refunds the term and/or part of term class, you may contact Cashiering Services. Refunds of \$1 or less may not be refunded. If enrolled for a subsequent semester, the amount may be applied.

#### Military Refund Policy

Students serving in the Military Services who are called to active duty during an academic term are entitled to receive a full refund for tuition and fees. Students who are drafted and must report for active duty during an academic term are entitled to receive a full refund of tuition and fees. All refunds are subject to presentation of official documentation. Students who volunteer for military service will be subject to the University's non-military refund policy. Room and board charges will be prorated to the extent that services have been provided.

#### Maryland Refund Policy

For students residing in Maryland, ESU shall provide a refund based upon the annotated code for the state of Maryland.

### 5.0 Employee Tuition Rates

University employees who are in a benefits eligible position, employed at least 50% time, and enrolled in courses will receive a waiver of the university fees and/or area fees for whatever number of hours are taken. Employees will be assessed tuition at the per credit hour rate up to the full time campus tuition rate. Student must complete and submit employee fee waiver form.

## **6.0 Tuition Waiver Program for Dependent and Spouses of Employees**

The Spouse and Dependent Tuition Waiver Program is available for spouses and dependent children of eligible employees to receive financial assistance for a course or courses taken at Emporia State University while seeking an undergraduate or graduate degree. This program will provide tuition assistance only. All participants are required to pay all applicable fees. The application form must be completed and submitted to the Office of Human Resources.

## **7.0 Graduate Assistant Tuition Waivers**

### **Full Time-Graduate Assistants, Teaching and Research**

Applicable tuition up to 12 credit hours is waived for graduate teaching, graduate research assistants and graduate assistants if working 20 hours per week. Students will be responsible for university fees, area fees, technology fees and course fees. If a student cancels the graduate assistantship, the student must repay the tuition waiver based upon the number of days remaining in the semester.

### **Split Position-Graduate Assistants, Teaching and Research**

Three credit hour tuition course waiver will be applicable for split graduate teaching assistants, graduate research assistants and graduate assistants if working 10 hours per week. Students will be responsible for university fees, area fees, technology fees, course fees and resident tuition beyond the three hours waived. If a student cancels the graduate assistantship, the student must repay the tuition waiver based upon the number of days remaining in the semester.

## **8.0 Midwest Student Exchange**

The Midwest Student Exchange Program (MSEP) includes Illinois, Indiana, Kansas, Minnesota, Missouri, Nebraska, North Dakota, Ohio and Wisconsin. Students must declare a major to be eligible. Residents of noted states are eligible for 150% of Kansas resident tuition (NEARR rate). For eligibility requirements please see MSEP guidelines at <https://www.emporia.edu/admissions-costs/admissions-and-costs/undergraduate-tuition-costs/hornet-nation-waiver-msep> for undergraduates and <https://www.emporia.edu/graduate-school/admissions-costs/financial-assistance/tuition-reduction-programs> for graduates.

## **9.0 Hornet Nation Waiver**

The Hornet Nation Waiver includes Missouri and Oklahoma for the areas that are not included in Corky Plus and the states of Colorado, Nebraska and Texas. Residents of noted states are eligible for the 150% of Kansas resident tuition (NEARR rate).

## **10.0 University Specific Policies**

### **10.1 Emporia State University-Kansas City**

Public educational entities governed/coordinated by the Kansas Board of Regents or under the auspices of the State Department of Education, may be allowed to use the Emporia State University-Kansas City facility on a space available basis for a negotiated fee. The revenue will be remitted from this collection to ESU.

### **10.2 Contracts and Compensatory Charges**

This schedule does not limit the charges which may be collected under arrangements with other governmental or private agencies except that such arrangements may not provide for lesser charges. Tuition or other charges to more nearly cover the actual cost of instruction are specifically authorized. No tuition is charged to students enrolled in programs for which the entire cost is financed by governmental or private agencies. Students taking such courses on campus must pay all required University Fees.
