Overview

KBOR Transfer Feedback Report

Transfer Students from Kansas Community Colleges Attending State/Municipal Universities in Kansas

Fall 2013

The KBOR Transfer Feedback Report reflects enrollments for Fall 2013. It is organized by an individual Community College summary report providing data about students who have transferred from that community college to a Kansas state/municipal university. In addition to the Community College reports, individual University summary reports are provided describing students transferring into the University.

These reports, created from the Kansas Post-Secondary Database (KSPSD) contains data maintained by the Institutional Research staff of the Kansas Board of Regents, are intended to give uniform information to Kansas community colleges about their students who later study at state/municipal universities in Kansas. For purposes of this report a student is considered a transfer student if they bring in 9 or more transfer hours from a given Kansas Community College or other transfer institution. It is possible for a student to be a transfer student from more than one institution in the reporting year. Students who transferred 9 or more hours from more than one community college are included in each community college's reports. Students with fewer than 9 transfer hours are grouped with other degree-seeking undergrads.

Data representing cells of fewer than 5 students are masked to protect individual privacy.

How to read the report:

The report tracks two student Cohorts:

1. New Students Fall 2013 –students entering the institution for the first time as a postsecondary student in Fall 2013.
2. Continuing Student Fall 2013 – students who were enrolled in the institution at least one term during the previous academic year.

The student Cohorts are divided into the following groups:

1. Students entering from the Community College – Only those students from the Community College highlighted in the section of the report
2. Other Kansas Community Colleges Transfer – Students from every other Community College EXCEPT the Community College highlighted in the section of the report
3. Other Transfers – Students who have transferred into the University from institutions other than the Kansas Community Colleges. This group includes other Kansas public universities, private schools, out of state schools, and international institutions, etc.
4. First-Time Freshman – Native Students who started their postsecondary career at the University
5. All Other Degree-Seeking Students – University native students who are continuing their education at the same institution.
