Course list sequence has no implication on course scheduling by colleges.

Institutions may add additional competencies based on local demand.

Competencies identified within the Common Courses and/or Support Courses represent opportunities for articulation with K-12.

**Institutions may utilize existing like course titles for Support Courses that adhere to the agreed upon course lengths.*

Notes

Specifics pertaining to Police Science programs:

1. B&I recommendation for students to take foundational courses of Introduction to Criminal Justice and Professional Responsibility in Criminal Justice during first semester of program.
2. The agreed upon third party credential required by the state for employment requires completion of a law enforcement academy training program (e.g., KLETC).
